Part 26 of the Companies Act 2006

Codemasters Shareholders should read carefully the whole of this document and the accompanying Forms of Proxy.

Your attention is drawn to the letter from the Chairman of Codemasters in Part 1 (*Letter from the Chairman of Codemasters*) of this document, which contains the unanimous recommendation of the Codemasters Directors that you vote in favour of the Scheme at the Court Meeting and in favour of the Special Resolution to be proposed at the General Meeting. A letter from Jefferies explaining the Scheme in greater detail is set out in Part 2 (*Explanatory Statement*) of this document.

Notices of the Court Meeting and the General Meeting, both of which are to be held at Codemasters Campus, Stoneythorpe, Southam, Warwickshire, CV47 2DL on 3 February 2021, are set out in Part 9 (*Notice of Court Meeting*) and Part 10 (*Notice of General Meeting*) at the end of this document. The Court Meeting will start at 10:00 a.m. and the General Meeting will start at 10:15 a.m. (or as soon thereafter as the Court Meeting has been concluded or adjourned).

The action to be taken by Codemasters Shareholders in respect of the Court Meeting and the General Meeting is set out on pages 12 to 14 of this document. Whether or not you intend to attend (remotely, via the Virtual Meeting Platform as set out below) at the Court Meeting and/or the General Meeting, please complete and sign both Forms of Proxy accompanying this document, BLUE for the Court Meeting and WHITE for the General Meeting, in accordance with the instructions set out in Part 9 (*Notice of Court Meeting*) and Part 10 (*Notice of General Meeting*) of this document and return them using the pre-paid business reply envelope (for use in the UK and the Channel Islands only) or (during normal business hours) by hand to Codemasters' registrar, Link Group, at PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF, as soon as possible, and in any event so as to be received not later than 10:00 a.m. on 1 February 2021 in the case of the Court Meeting and by 10:15 a.m. on 1 February 2021 in the case of the General Meeting or, in the case of any adjournment, not later than 48 hours before the time fixed for the holding of the adjourned Meeting (but excluding any day which is not a Business Day). Alternatively, if not returned by the specified time, the BLUE Form of Proxy for the Court Meeting (but not the WHITE Form of Proxy for the General Meeting) may be emailed to Rachel.Sellers@linkgroup.co.uk any time prior to the commencement of the Court Meeting. Forms of Proxy returned by fax will not be accepted. You can also submit your proxy electronically using the Signal Shares share portal service at www.signalshares.com or electronically through CREST, so as to be received by not later than 48 hours (not including any day which is not a Business Day) before the relevant Meeting. The return of a completed Form of Proxy, the electronic appointment of a proxy or the submission of a proxy via CREST will not prevent you from attending (remotely, via the Virtual Meeting Platform) the Court Meeting and/or the General Meeting and voting (remotely, via the Virtual Meeting Platform) if you are entitled to do so and if you so wish.

COVID-19 Restrictions

The Codemasters Board notes the measures imposed by the UK Government in view of the ongoing COVID-19 pandemic. At the time of publication of this document, the UK Government has prohibited large public gatherings, save in certain limited circumstances. In light of these measures, together with the uncertainty as to any additional and/or alternative measures that may be put in place by the UK Government, and in order to protect the health and safety of Scheme Shareholders, Codemasters Shareholders and Codemasters Directors, the Codemasters Board hopes that Codemasters Shareholders will understand that they, Scheme Shareholders and other attendees will not be permitted to attend the Court Meeting or the General Meeting in person, save for the Chairman of the Meetings and anyone else nominated by the Chairman of the Meetings in order to establish a quorum.

Scheme Shareholders and Codemasters Shareholders are strongly encouraged to appoint "the Chairman of the meeting" as their proxy. If any other person is appointed as proxy, he or she will not be permitted to attend the relevant Meeting in person, but will be able to attend, submit written questions (and/or, in respect of the Court Meeting, any objections) and vote at the relevant Meeting remotely via the Virtual Meeting Platform, further details of which are set out below and in the Virtual Meeting Guide.

Instructions for accessing the Virtual Meeting Platform

Scheme Shareholders and Codemasters Shareholders will be given the opportunity to remotely attend, submit written questions and vote at the Court Meeting and the General Meeting via the Virtual Meeting Platform provided by Lumi.

Scheme Shareholders and Codemasters Shareholders can access the Virtual Meeting Platform via a mobile web client, which is compatible with the latest browser versions of Chrome, Firefox, Internet Explorer 11 (Internet Explorer v. 10 and below are not supported), Edge and Safari and can be accessed using any web browser, on a PC or smartphone device. To remotely attend, submit written questions and/or vote using this method, please go to <https://web.lumiagm.com>.

Alternatively, Scheme Shareholders and Codemasters Shareholders can access the Virtual Meeting Platform by downloading the latest version of the Lumi AGM application (the "App") onto their smartphone device. The App is available in native application format (Android and iOS devices only) and can be downloaded from the Google Play Store™ Market or the Apple® App Store by searching by the application name 'Lumi AGM'. If you have previously downloaded the App, please ensure you are using the latest version by checking the status in the Google Play Store™ Market or the Apple® App Store. Please be aware that the App does not support Android 4.4 (or below) or iOS 9 (or below).

Once you have accessed <https://web.lumiagm.com> from your web browser, or downloaded the App, you will be asked to enter the Lumi Meeting ID which is **145-572-465**. You will then be prompted to enter your unique login and PIN number. Your unique login is your 11-digit Investor Code ("IVC"), including any zeros, and your PIN number is the last four digits of your IVC. These can be found printed on a share certificate, or alternatively you can sign into www.signalshares.com to obtain your IVC.

If you are unable to access your IVC, please call Link Group on +44 (0) 371 277 1020* by 2 February 2021.

Access to the Meetings will be available from 9:45 a.m. on 3 February 2021, although questions cannot be submitted until the relevant Meeting is declared open and the voting functionality will not be enabled until the Chairman of the relevant Meeting declares the poll open. Scheme Shareholders and Codemasters Shareholders will be permitted to submit written questions during the course of the relevant Meeting via the Virtual Meeting Platform. Scheme Shareholders can use the same function to submit any written objections they may have to the Scheme at the Court Meeting. The Chairman of the relevant Meeting will ensure that all such questions and/or any objections (in the case of the Court Meeting) relating to the formal business of the relevant Meeting are addressed during the relevant Meeting, unless no response is required to be provided under the Companies Act or the provision of a response would, at the Chairman's discretion, otherwise be undesirable in the interests of Codemasters or the good order of the relevant Meeting.

During the relevant Meeting, you must ensure you are connected to the internet at all times in order to submit written questions and/or any objections (in the case of the Court Meeting) and vote when the Chairman commences polling. Therefore, it is your responsibility to ensure connectivity for the duration of the relevant Meeting via your wireless or other internet connection. The Virtual Meeting Guide contains further information on remotely accessing and participating in the Meetings via the Virtual Meeting Platform and is available on Codemasters' website at www.codemasters.com/investors/#electronic-arts.

If you wish to appoint a proxy and for them to attend the relevant Meeting via the Virtual Meeting Platform on your behalf, please contact Link Group on telephone number +44 (0) 371 277 1020*.

If your Codemasters Shares are held by a nominee and you wish to attend the relevant Meeting via the Virtual Meeting Platform, you will need to contact your nominee immediately. Your nominee will need to have completed a letter of representation and presented this to Link Group, Codemasters' registrar, no later than 72 hours before the start of the relevant Meeting in order that they can obtain for you from Link Group, your unique login and PIN number to attend the relevant Meeting via the Virtual Meeting Platform. If you are in any doubt about your shareholding, please contact Link Group.

* Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9:00 a.m. and 5:30 p.m., Monday to Friday (excluding public holidays in England and Wales). Please note that Link Group cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

The COVID-19 situation is constantly evolving, and the UK Government may change current restrictions or implement further measures relating to the holding of shareholder meetings during the affected period. Any changes to the arrangements for the Court Meeting and the General Meeting will be communicated to Codemasters Shareholders and Scheme Shareholders before the Meetings, including through Codemasters' website www.codemasters.com/investors/#electronic-arts and by announcement through a Regulatory Information Service.

It is important that, for the Court Meeting in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of Scheme Shareholders. Whether or not you intend to attend and/or vote (in each case, remotely, via the Virtual Meeting Platform) at the Meetings, you are strongly advised to sign and return your BLUE Form of Proxy (by post) or transmit a proxy appointment and voting instruction (electronically, online or through CREST) for the Court Meeting as soon as possible. The completion and return of the Forms of Proxy (by post) (or transmission of a proxy appointment or voting instruction electronically, online or through CREST or by any other procedure described in this document) will not prevent you from remotely attending, submitting written questions and/or (in the case of the Court Meeting) any objections and voting at the Court Meeting or the General Meeting, in each case via the Virtual Meeting Platform as described in the opening pages of this document and in the Virtual Meeting Guide, if you are entitled to and wish to do so.

If the BLUE Form of Proxy for the Court Meeting is not lodged by the relevant time, it may be emailed to Rachel.Sellers@linkgroup.co.uk at any time prior to the commencement of the Court Meeting. However, if the WHITE Form of Proxy for the General Meeting is not lodged by the relevant time, it will be invalid.

If you hold your Codemasters Shares in uncertificated form through CREST, you may vote using the CREST Proxy Voting Service in accordance with the procedures set out in the CREST Manual (please also refer to the accompanying notes to the Notice of the Court Meeting set out in Part 9 (*Notice of Court Meeting*) and the Notice of the General Meeting set out in Part 10 (*Notice of General Meeting*) of this document). Proxies submitted via CREST (under CREST Participant ID RA10) must be received by Link Group not later than 10:00 a.m. on 1 February 2021 in the case of the Court Meeting and by 10:15 a.m. on 1 February 2021 in the case of the General Meeting or, in the case of any adjournment, not later than 48 hours before the time fixed for the holding of the adjourned Meeting (but excluding any day which is not a Business Day).

Notice to US Codemasters Shareholders

The Acquisition relates to the shares of an English incorporated company and is being made by way of a scheme of arrangement provided for under Part 26 of the Companies Act. The Acquisition, implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the US Securities and Exchange Act, 1934 as amended. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a company in England whose shares are admitted to trading on AIM (the market of that name operated by the London Stock Exchange), which differ from the disclosure requirements of US tender offer and proxy solicitation rules. If, in the future, Bidco exercises its right to implement the Acquisition by way of an Offer and determines to extend the Offer into the United States, the Acquisition will be made in compliance with applicable US laws and regulations.

The financial information included in this document in relation to Codemasters has been prepared in accordance with International Financial Reporting Standards (as adopted by the European Union) and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

It may be difficult for US Codemasters Shareholders to enforce their rights and any claim arising out of the US federal securities laws, because Codemasters is located in a non-US country, and some or all of its officers and directors are residents of a non-US country. US Codemasters Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

US Codemasters Shareholders also should be aware that the Acquisition contemplated herein may have tax consequences in the US and that such consequences, if any, are not described herein. US Codemasters Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

Information for Overseas Shareholders

Unless otherwise determined by Codemasters, EA and Bidco or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility

of a national, state or other securities exchange of any Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or from within a jurisdiction if to do so would constitute a violation of the laws of that jurisdiction and the Acquisition may not be capable of acceptance by any such use, means, instrumentality or facilities.

In particular, the ability of Overseas Shareholders to vote their Codemasters Shares at the Court Meeting and/or the General Meeting, or to execute and deliver Forms of Proxy appointing another person to vote their Codemasters Shares at the Court Meeting and/or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws in that jurisdiction.

Copies of this document, the accompanying Forms of Proxy and any other formal documentation relating to the Acquisition and the Scheme are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send it in or into or from any Restricted Jurisdiction.

It is the responsibility of each Overseas Shareholder to satisfy himself as to the full observance of the laws and regulatory requirements of the relevant jurisdiction in connection with the Acquisition, including obtaining any governmental, exchange control or other consents which may be required, or the compliance with other necessary formalities which are required to be observed and the payment of any issue, transfer or other taxes due in such jurisdiction.

This document and its accompanying documents have been prepared in connection with a proposal in relation to a scheme of arrangement pursuant to, and for the purpose of complying with, English law and the Code and the information disclosed may not be the same as that which would have been disclosed if these documents had been prepared in accordance with the laws of jurisdictions outside England.

For further details in relation to Overseas Shareholders please see paragraph 15 of Part 2 (*Explanatory Statement*) of this document.

In addition, any statements that refer to projections of future financial performance or prospects, business and economic trends, markets projections, future capital expenditure, earnings, revenues, expenditure, losses, synergies, dividends, uncertain events and assumptions and other characterisations of future events or circumstances may be forward-looking statements. These forward looking statements are not guarantees of future performance and reflect the relevant management’s current expectations. Actual results could differ materially from those discussed in the forward-looking statements and there are a number of factors which could cause actual results, development and outcomes to differ materially from those expressed in, or implied by such forward-looking statements and therefore such forward-looking statements are qualified in their entirety by the risks and uncertainties that apply to them. Many of these risks and uncertainties relate to factors beyond EA’s, Bidco’s and/or Codemasters’ control and include but are not limited to, general business and market conditions (globally and locally), political, economic and regulatory influences, industry trends and competition, future interest and foreign exchange rates, changes in government and regulation (including health and safety and environmental), employment and labour relations, tax rates and any future business acquisitions, combinations or disposals.

No forward-looking or other statements have been reviewed by the auditors of the Codemasters Group or the EA Group.

For a discussion of important factors which could cause actual results to differ from forward-looking statements in relation to Codemasters, refer to the annual report and accounts for the Codemasters Group for the financial year ended 31 March 2020 and the unaudited consolidated interim financial statements of Codemasters for the six months ended 30 September 2020.

EA's latest Quarterly Report on Form 10-Q, as well as in other documents EA has filed with the U.S. Securities and Exchange Commission, including EA's Annual Report on Form 10-K for the fiscal year ended 31 March 2020 contains additional information regarding forward-looking statements with respect to EA.

Profit forecasts or estimates

The Codemasters Profit Forecast is a profit forecast for the purposes of Rule 28 of the Code. The Codemasters Profit Forecast, the assumptions and bases of preparation on which the Codemasters Profit Forecast is based and the confirmations, as required by Rule 28.1 of the Code, are set out in Part 6 (*Codemasters Profit Forecast*) of the Take-Two Offer Scheme Document. The Codemasters Profit Forecast has not been subject to comment or verification by EA or Bidco or the EA Directors or Bidco Directors and neither the EA Directors nor the Bidco Directors accept any responsibility in respect of it.

Other than the Codemasters Profit Forecast, no statement in this document is intended as a profit forecast or estimate for any period or a quantified financial benefits statement and no statement in this document should be interpreted to mean that earnings or earnings per ordinary share, for EA, Bidco or Codemasters, respectively for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for EA, Bidco or Codemasters, respectively.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3:30 p.m. on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3:30 p.m. on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3:30 p.m. on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0) 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

To all Codemasters Shareholders and, for information only, to participants in the Codemasters Share Schemes

Dear Codemasters Shareholder

**RECOMMENDED ACQUISITION OF CODEMASTERS GROUP HOLDINGS PLC
BY CODEX GAMES LIMITED, AN INDIRECT SUBSIDIARY OF ELECTRONIC ARTS INC.
TO BE IMPLEMENTED BY WAY OF A SCHEME OF ARRANGEMENT**

1. Introduction

On 14 December 2020, the Codemasters Board and the EA Board announced that they had reached agreement on the terms of a recommended offer by Bidco, an indirect subsidiary of EA, to acquire the entire issued and to be issued ordinary share capital of Codemasters. The Acquisition is to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to effect the Acquisition by way of an Offer, subject to the consent of the Panel).

I am writing to you, on behalf of the Codemasters Board, to set out the terms of the Acquisition and to explain why the Codemasters Board is unanimously recommending that Codemasters Shareholders vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting. Please also see the letter from Jefferies set out in Part 2 (*Explanatory Statement*) of this document, which gives further details about the Acquisition, and the additional information set out in Part 6 (*Additional Information*) of this document.

In order to approve the Scheme, by which the Acquisition is to be implemented, the requisite majorities of Codemasters Shareholders will need to vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting. The Court Meeting and the General Meeting will be held on 3 February 2021 at 10:00 a.m. and 10:15 a.m. respectively (or, in the case of the General Meeting, as soon as the Court Meeting has concluded or been adjourned, if later). Details of the action you should take are set out in paragraph 10 of this letter. The recommendation of the Codemasters Directors is set out in paragraph 11 of this letter.

In light of the current COVID-19 Restrictions, attendance and voting in person at the General Meeting and the Court Meeting will not be permitted, but Scheme Shareholders and Codemasters Shareholders are reminded that they can remotely attend, submit written questions and/or objections (in the case of the Court Meeting) and vote at the Court Meeting and the General Meeting via the Virtual Meeting Platform, as described in the opening pages of this document and in the Virtual Meeting Guide.

Scheme Shareholders and Codemasters Shareholders are strongly encouraged to submit proxy appointments and instructions for the Court Meeting and the General Meeting as soon as possible using any of the methods (by post, online, electronically through CREST, or (in respect of the Court Meeting only) by email) set out in this document. Scheme Shareholders and Codemasters Shareholders are also strongly encouraged to appoint “the Chairman of the meeting” as their proxy. If any other person is appointed as proxy, he or she will not be permitted to attend the relevant Meeting in person, but will be able to attend, submit written questions and/or any objections (in the case of the Court Meeting) and vote at the relevant Meeting remotely via the Virtual Meeting Platform.

2. Summary of the terms of the Acquisition

The Acquisition is to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act, full details of which are set out in the Explanatory Statement in Part 2 (*Explanatory Statement*) of this document.

Terms of the Acquisition

Pursuant to the Scheme, which is subject to the Conditions and further terms set out in Part 3 (*Conditions to and further terms of the Acquisition*) of this document, Scheme Shareholders will be entitled to receive:

| | |
|--|--------------------------|
| for each Scheme Share held at the Scheme Record Time: | 604 pence in cash |
|--|--------------------------|

The terms of the Acquisition value Codemasters’ entire issued and to be issued share capital at approximately £945 million (US\$1,248 million based on the exchange rate of US\$1.32:£1 on 11 December 2020, being the last practicable date prior to the Announcement Date) on a fully diluted basis.

The terms of the Acquisition represent a premium of approximately:

- 14.4 per cent. to the current value of 528 pence per Codemasters Share implied by the Take-Two Offer (based on the closing price of a Take-Two Share of US\$190.21 and the exchange rate of US\$1.32:£1 on 11 December 2020, being the last practicable date prior to the Announcement Date);
- 72.6 per cent. to the Closing Price per Codemasters Share of 350 pence on 22 September 2020, being the date of Take-Two’s initial proposal to Codemasters;
- 55.7 per cent. to the volume weighted average price per Codemasters Share of 388 pence in the 90 days ending on the 5 November 2020 (being the day prior to media speculation of Take-Two’s possible interest in an offer for Codemasters); and
- 38.9 per cent. to the Closing Price per Codemasters Share of 435 pence on 5 November 2020 (being the day prior to media speculation of Take-Two’s possible interest in an offer for Codemasters).

The Codemasters Shares will be acquired by Bidco (or its nominee) with full title guarantee, fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the Announcement Date or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Announcement Date and prior to the Effective Date in respect of the Codemasters Shares.

If any dividend or other distribution in respect of the Codemasters Shares is announced, declared, payable or paid in respect of the Codemasters Shares on or after the Announcement Date and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Codemasters Share by the amount of all or part of any such dividend or other distribution. If Bidco exercises this right to make such a reduction in respect of a dividend or distribution, Codemasters Shareholders will be entitled to receive and retain that dividend or other distribution. Any exercise by Bidco of its right referred to in this paragraph will be announced via a Regulatory Information Service.

Overseas Shareholders

Overseas Shareholders should refer to paragraph 15 of Part 2 (*Explanatory Statement*) of this document.

Conditions

It is intended that the Acquisition will be implemented by way of a Court-approved scheme of arrangement between Codemasters and Codemasters Shareholders under Part 26 of the Companies Act.

Bidco reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way of an Offer for the entire issued and to be issued ordinary share capital of Codemasters as an alternative to the Scheme. In such an event, the Offer will be implemented on the same terms or, if Bidco so decides (with the consent of the Panel), on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, than those which would apply to the Scheme and subject to the amendment referred to in Part 3 (*Conditions to and further terms of the Acquisition*) of this document.

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued share capital of Codemasters.

Under the Scheme, the Codemasters Shares will be transferred to Bidco in consideration for which the Codemasters Shareholders will receive cash consideration on the basis set out in paragraph 2 of this Part 1 (*Letter from the Chairman of Codemasters*).

The Scheme and the Acquisition are subject to satisfaction (or, where applicable, waiver) of the Conditions set out in Part 3 (*Conditions to and further terms of the Acquisition*) of this document and shall only become Effective if, among other things, the following events occur by no later than 11:59 p.m. on the Long Stop Date:

- (i) satisfaction (or, where applicable, waiver) of the Conditions including the receipt of clearances or relevant waiting periods having expired as applicable under the merger control regimes in Austria and Germany;
- (ii) approval of a majority in number of the Codemasters Shareholders who are present and vote, either via the Virtual Meeting Platform or by proxy, at the Court Meeting and who represent not less than 75 per cent. in value of the Codemasters Shares voted by those Codemasters Shareholders;
- (iii) approval of the requisite majority of the votes cast, either via the Virtual Meeting Platform or by proxy, of the Special Resolution at the General Meeting; and
- (iv) sanction of the Scheme by the Court and, following such sanction, the delivery of a copy of the Court Order to the Registrar of Companies.

The Scheme and the Acquisition will lapse if:

- (i) it does not become Effective by 11.59 p.m. on the Long Stop Date;
- (ii) the Court Meeting is not held on or before 25 February 2021 (being the 22nd day after the date of the Court Meeting (3 February 2021) as set out in this document) (or such later date as may be agreed between EA, Bidco and Codemasters and the Court may allow);
- (iii) the General Meeting is not held on or before 25 February 2021 (being the 22nd day after the date of the General Meeting (3 February 2021) as set out in this document) (or such later date as may be agreed between EA, Bidco and Codemasters and the Court may allow); or
- (iv) the Scheme is not sanctioned on or before 10 March 2021 (being the 22nd day after the expected date of the Court Hearing (16 February 2021) as set out in this document) (or such later date as may be agreed between EA, Bidco and Codemasters and the Court may allow) and a copy of the Court Order is not delivered to the Registrar of Companies,

and such deadlines are not waived by Bidco or otherwise extended by agreement between EA, Bidco and Codemasters, with the consent of the Panel and/or the Court (if such consent is required).

The Scheme will only become Effective once a copy of the Court Order is delivered to the Registrar of Companies. Upon the Scheme becoming Effective, it will be binding on all Codemasters Shareholders, whether or not they attended or voted at the Meetings and whether or not they voted in favour of the Scheme.

Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become Effective by 18 February 2021.

The Scheme and the Acquisition will also be subject to the Conditions and further terms set out in Part 3 (*Conditions to and further terms of the Acquisition*) of this document.

3. Background to and reasons for the Acquisition

EA believes there is a compelling strategic and financial rationale for the Acquisition because it:

Creates a global leader in racing entertainment experiences through the combination of Codemasters' critically acclaimed sports and racing franchises coupled with EA's global Need for Speed franchise, fan-favourite Real Racing mobile game and EA SPORTS brands.

Codemasters has a portfolio of leading racing simulation game franchises that are widely recognised for their high-quality experiences, including the official Formula One racing games, DiRT[®], DiRT Rally, GRID[®] and Project Cars. These franchises are highly complementary to EA's global Need for Speed franchise, one of the most successful video game franchises of all time with more than 185 million units sold lifetime to date, fan-favourite Real Racing mobile game, as well as the EA SPORTS portfolio of iconic sports titles like FIFA and Madden NFL. EA believes the combination of these teams and franchises will create a powerhouse in interactive racing and sports entertainment.

EA's talent base and expertise in the racing category comes with deep data and analytics capabilities, providing racing audience insights to sharpen development and marketing for this combined effort moving forward. The global success of EA's Need for Speed franchise has seen it expand into other forms of entertainment, including a film adaptation and licensed Hot Wheels toys.

The EA SPORTS brand is a worldwide icon in the sports and entertainment world. Its franchises include FIFA – the most successful game franchise in the world – as well as Madden NFL, NHL, UFC and more. These games engage hundreds of millions of players on an annual basis across console, mobile and PC platforms, and continually put EA SPORTS at the center of sports and entertainment culture. EA SPORTS games are known, revered and played by top-level athletes all over the world; they are the basis for multiple growing esports programs; and they are fixtures in global pop culture.

EA is very excited by the potential of Codemasters' successful Formula One franchise. It is a global sport with a tremendous fan base in Europe, as well as growing audiences in Asia and North America. Codemasters' high-quality games in this franchise, combined with EA's ability to reach and engage a broader audience in this expanding digital universe, will represent a strong growth opportunity for the Combined Group.

Provides an opportunity to significantly grow EA's revenue in the genre through portfolio expansion and a regular title release cadence.

Bringing together EA and Codemasters will immediately create an opportunity to grow existing franchises by expanding the addressable market. The union will result in access to more platforms, reaching more geographies and integration into more business models to increase consistency, reach and revenue.

Specifically, the Combined Group will be able to build on the success of Codemasters' Formula One franchise by unlocking further growth opportunities, leveraging EA's success growing its Need for Speed and FIFA franchises in Asia and other regions.

Combining EA and Codemasters will deliver additional growth opportunities for Codemasters' franchises by leveraging the reach, visibility and impact of the EA SPORTS brand, which engages hundreds of millions of players across platforms on an annual basis.

Delivers compelling financial benefits for the Combined Group. The Acquisition is expected to grow net bookings and underlying profitability.

Codemasters has demonstrated consistent revenue and profitability growth, and combined with efficiencies from EA's operating scale and publishing expertise, is expected to continue to contribute to the Combined Group, and with improved operating leverage over time.

EA expects to drive strong growth in Codemasters franchises, including the Formula One franchise. This growth will be enabled by leveraging EA's expertise in large-scale live services and global publishing reach, as well as integration of marketing and other expansion opportunities.

Produces the ability to drive scaled expansion for these businesses through live services, global publishing and marketing.

EA sees the ability to grow the business of key franchises through live services that extend and enhance the experience with ongoing player engagement opportunities and monetisation. It also creates opportunities for additional extensions through esports and other forms of digital content.

The union enables EA and Codemasters to grow the global appeal of franchises like Formula One through the integration of marketing functions driving innovation and acquisition of wider player audiences, and by increasing investment in publishing and development by creating best-in-class features to expand the accessibility and appeal of Codemasters franchises to a broader audience.

EA's platform expertise and global reach will enable Codemasters franchises to reach more players across more platforms and geographies. Leveraging EA's capabilities in mobile, cloud and AAA platforms will make Codemasters games accessible to more players around the world. EA's relationships with brand partners and expertise in partnerships, licensing and brand marketing will be utilised to expand the scale of and user engagement with Codemasters' existing and upcoming franchises.

The combination allows EA to integrate Codemasters into its network of world-class studios. EA can leverage its creative, technical and commercial knowledge base across studios to enhance Codemasters' development and publishing. In addition, EA's central services teams across development technology, art and motion capture, quality verification, compliance and localisation will all be resources available to Codemasters.

As EA continues to grow its Need for Speed franchise in complement to Codemasters' valuable franchises, the Combined Group will establish itself as a global leader in racing entertainment. The talent compatibility of the two organisations sets up the union to drive growth and scale together.

Creates ongoing and expanded engagement opportunities for EA and Codemasters racing and sports games through EA's industry-leading multi-platform subscription services.

EA believes the combination of subscription services and cloud streaming will increase consumption of and engagement with games – just as it has for every other form of digital entertainment – leading to significant business growth. The Acquisition would enable Codemasters' key franchises to be at the forefront of new innovation in this space, making its games more accessible to more players everywhere.

EA's subscription services would bring benefits to Codemasters' franchises, as they are the only multi-platform offerings in the market today – reaching across Xbox, PlayStation and PC platforms (both EA's own platform and on Steam). Codemasters franchises would be in a position to leverage the growth and evolution of these platforms, plus benefit from access to EA's valuable platform partnerships.

4. Background to and reasons for the Codemasters Board recommendation

On 22 September 2020, Take-Two made an initial proposal to Codemasters. Following detailed due diligence and negotiation regarding the Take-Two proposal, on 10 November 2020, Take-Two announced a binding offer of 120 pence in cash and 0.02834 new Take-Two Shares for each Codemasters Share, which based on the closing price of a Take-Two Share of US\$159.99 and the exchange rate of US\$1.32:£1 on 9 November 2020 (being the last Business Day prior to the date of that announcement) valued each Codemasters Share at 464 pence. For the reasons detailed in the announcement of the Take-Two Offer, the Codemasters Directors concluded that the Take-Two Offer represented an attractive opportunity for Codemasters Shareholders to realise their shareholding in cash and highly liquid Take-Two shares at a fair valuation.

Following the binding announcement from Take-Two on 10 November 2020, EA made an initial approach to Codemasters. In accordance with its obligations under the Code and in order to advance discussions in the interests of delivering best value to shareholders, Codemasters engaged with EA to undertake detailed due diligence. On 10 December 2020, the Codemasters Directors received a proposal from EA of 604 pence per Codemasters Share in cash. The EA Offer represents a significant increase in value relative to the Take-Two Offer. Specifically, the EA Offer represents a premium of 14.4 per cent. to the current value of 528 pence per Codemasters Share implied by the Take-Two Offer (based on the closing price of a Take-Two Share of US\$190.21 and the exchange rate of US\$1.32:£1 on 11 December 2020, being the last practicable date prior to the Announcement Date).

The Codemasters Directors remain confident that Codemasters' existing strategy would deliver significant value for Codemasters Shareholders as an independent company as it continues to successfully execute its strategy of growing and enhancing a market leading position in the racing category of the gaming sector. Since its initial public offering in 2018, Codemasters has continued its track record of developing and publishing best-in-class games. This has not only underpinned a robust financial performance, but also been a key driver behind the significant share price increase since IPO.

To strengthen the position that Codemasters has built within the racing category, there is an increasing necessity for additional investment in both resources and skills across its portfolio. The Codemasters Directors believe that EA's deep expertise and track record in sports gaming, game analytics and live services operations combined with its global publishing and distribution capabilities will help Codemasters accelerate growth and provide greater certainty over Codemasters' long-term success.

At a significant premium to the Take-Two Offer, the Codemasters Directors believe the terms of the EA Offer further reinforce the quality of Codemasters' platform, portfolio, and future prospects of Codemasters. As such, the Codemasters' Directors unanimously recommend the Acquisition to Codemasters Shareholders.

5. Management, employees, pensions, research and development, locations

EA's strategic plans for Codemasters

EA believes the combination of EA and Codemasters creates an opportunity to deliver further growth and success for Codemasters and EA's popular and innovative franchises. The union of EA and Codemasters will create a global leader in racing entertainment through the combination of Codemasters' critically acclaimed sports and racing franchises coupled with EA's global Need for Speed franchise, fan-favourite Real Racing mobile game and EA SPORTS brands.

EA intends to integrate Codemasters into the EA studios organisation – a worldwide network of top development studios and more than 6,500 game creators responsible for some of the top gaming franchises in the world.

Given the complementary nature of Codemasters and EA in terms of their areas of focus, franchises and capabilities, it is anticipated that there will be limited impact from the Acquisition on employees and customers of EA's products. Upon completion of the Acquisition, the management teams of EA and Codemasters will initiate a detailed review of the operations of both businesses to assess how they can work most effectively and efficiently together. The management teams will also carry out a review of Codemasters' products in the context of Codemasters' strategic objectives within the wider EA Group and to understand how to leverage EA's publishing and commercial knowledge to enhance Codemasters' product performance. These reviews, which are expected to take up to twelve months

following completion of the Acquisition, will consider the current operating and organisational structures of both businesses and provide the basis for the development of a programme designed to integrate Codemasters in a way which minimises disruption to employees whilst delivering the expected opportunities and benefits of the Acquisition.

Given the complementary nature of EA and Codemasters and the limited areas of overlap, it is anticipated that there will be minimal consolidation of the existing studios and operational centres of Codemasters. In respect of Codemasters' head office, corporate and support functions, where overlap and duplication does exist, it is intended that, following a review of the options available, activities will be consolidated and rationalised to allow for the better integration of Codemasters into EA (see *Employees, management, existing rights and pensions* below). This review is expected to take up to twelve months following completion of the Acquisition.

Employees, management, existing rights and pensions

EA attaches great importance to the skills and experience of the existing management and employees of Codemasters. EA believes that the existing employees of Codemasters will continue to be an integral part of the success of Codemasters within EA and that they will benefit from greater opportunities within the broader EA organisation following the completion of the Acquisition.

EA confirms that, following the completion of the Acquisition, the existing contractual and statutory employment rights, including in relation to pensions, of all management and employees of the Codemasters Group will be safeguarded in accordance with applicable law. EA intends to maintain conditions of employment (including employee compensation and benefits) that are no less favourable in the aggregate than the existing conditions of employment (including compensation and benefits) of the employees of the Codemasters Group and it does not intend to make any material change to the balance of skills and functions of the employees and management of the Codemasters Group. Following completion of the Acquisition, EA will carry out a review of the benefit entitlements of all management and employees of the Codemasters Group and may migrate employees onto EA's benefit plans where reasonably practicable in the first 12 months following completion of the Acquisition. EA expects the benefit plans to be offered to Codemasters employees will be substantially comparable to benefits currently offered to them by Codemasters and the Codemasters employees would also continue to benefit from any statutory protections afforded to them in accordance with applicable law.

EA expects minimal impact on its business due to the consolidation of Codemasters' existing studios and operational centers. EA believes that there is the potential to generate selected cost savings through restructuring of certain administrative functions and initial analysis has identified that there is likely to be an opportunity to rationalise certain corporate overheads and support functions. In head office, corporate and support functions where there is overlap and duplication, activities will be consolidated and the effects will be communicated to employees following a review of options which is expected to take up to 12 months.

Codemasters' existing executive management team, including Frank Sagnier, Chief Executive Officer, and Rashid Varachia, Chief Financial Officer, will remain in place following the completion of the Acquisition and continue to lead the business within the EA studios organisation. Subject to the outcome of a detailed review of integration options (with respect to studios, marketing, licensing arrangements and certain other aspects of Codemasters' business and operations) and other than in relation to overlapping head office, corporate and support functions, it is anticipated that there will not be a material reduction in the combined headcount of EA and Codemasters. At this stage, EA has not yet developed a proposal as to how such integration and restructuring would be implemented and will only be able to develop and implement such proposals once its review has been completed. EA intends to commence this detailed review as soon as practicable following completion of the Acquisition and expects it will take up to 12 months. Following completion of this detailed review, EA will be able to determine whether additional headcount changes in addition to those identified above are required.

Following completion of the Acquisition, EA does not intend to make any changes with regard to the agreed employer contributions into Codemasters' existing defined contribution pension scheme(s) or other pension schemes. The Codemasters Group does not participate in any defined benefit pension scheme.

Management and employee incentivisation arrangements

Following the Effective Date, EA intends to review the management, governance and incentive structure of Codemasters and proposals regarding incentivisation arrangements for certain management and employees of Codemasters will be considered as part of such review. Except as described below, EA has not entered into and has not had discussions on proposals to enter into, any new incentivisation arrangements with members of Codemasters' management or any of its employees.

Following the Effective Date, EA will grant EA RSUs to certain members of management and employees of Codemasters as follows:

- Frank Sagnier will be awarded such number of EA RSUs as have a value equivalent to £908,334 on the date of grant;
- Rashid Varachia will be awarded such number of EA RSUs as have a value equivalent to £681,250 on the date of grant;
- Jonathan Bunney will be awarded such number of EA RSUs as have a value equivalent to £1,135,417 on the date of grant;
- Clive Moody will be awarded such number of EA RSUs as have a value equivalent to £1,135,417 on the date of grant; and
- other specified employees of Codemasters will, in aggregate, be awarded such number of EA RSUs as have a value equivalent to a total of £3,027,780 on the date of grant.

The EA RSUs to be awarded to Frank Sagnier and Rashid Varachia would vest over one year subject to continued employment. The EA RSUs to be awarded to Jonathan Bunney and Clive Moody would vest over four years subject to continued employment. The EA RSUs to be awarded to other specified employees of Codemasters would vest over three years subject to continued employment.

In addition to the above, EA intends to incentivise Codemasters employees (other than senior management) with EA RSUs that have a value equivalent to a total of £3,027,780 on the date of grant. These EA RSUs will vest over three years subject to continued employment. The Codemasters employees who receive these awards have not been determined and EA does not intend to make all of these awards within 12 months of the Effective Date.

For the purposes of Rule 16.2(a) of the Code, Jefferies has confirmed that, in its opinion, the award of EA RSUs to Frank Sagnier and Rashid Varachia and the two members of Codemasters' senior management are fair and reasonable so far as the Codemasters Shareholders are concerned.

Headquarters, locations, research and development and fixed assets

Beyond the potential changes identified above in relation to certain corporate overheads and support functions of Codemasters, EA does not intend to initiate any material changes in the location or functions of Codemasters' operations and places of business, including its head office, or redeploy the fixed assets of Codemasters, as a result of the Acquisition.

EA does not expect the Acquisition to have a material impact on the research and development activities of either Codemasters or EA.

Maintenance of existing trading facilities

Prior to the Scheme becoming Effective, it is intended that applications will be made to the London Stock Exchange to cancel trading in the Codemasters Shares on AIM, with effect from or shortly following the Effective Date and to re-register it as a private company.

Other

The statements in this paragraph 5 (*Management, employees, pensions, research and development, locations*) which constitute "post-offer intention statements" for the purposes of Rule 19.6 of the Code, will apply for 12 months from completion of the Acquisition.

No statements in this paragraph 5 (*Management, employees, pensions, research and development, locations*) constitute “post-offer undertakings” for the purposes of Rule 19.5 of the Code.

Views of the Codemasters Board

In considering the recommendation of the Acquisition to Codemasters Shareholders, the Codemasters Board has given due consideration to the confirmations that EA has given in relation to its employees. The Codemasters Board welcomes EA's intentions with respect to the future operations of the business and its employees as part of EA, in particular, EA's confirmation of its intention to safeguard the existing statutory and contractual employment and pension rights of Codemasters' employees and management and not to make any material change to the balance of skills and functions of employees across Codemasters.

The Codemasters Board further welcomes the confirmation that, beyond the potential changes identified above in relation to certain corporate overheads and support functions of Codemasters, EA does not intend to initiate any material changes to location or functions of Codemasters' operations and places of business, including its head office.

6. Codemasters' current trading and prospects

For details of Codemasters' current trading and prospects, please refer to Codemasters' unaudited consolidated interim financial statements for the six months ended on 30 September 2020, a link to which can be found in paragraph 1 of Part 5 (*Financial Information*) of this document.

7. Codemasters Profit Forecast

The Codemasters' trading update announcement released on 11 August 2020 included the following statement regarding the Codemasters Directors' expectations in respect of the full financial year of Codemasters ending on 31 March 2021:

“Trading since the start of the year has been particularly strong and the Board now anticipates that Revenue and Adjusted EBITDA⁽¹⁾ for the full year will be significantly ahead of current market expectations.

(1) *Adjusted EBITDA is a non-GAAP measure used by the Group, which is defined as profit before finance costs on borrowings (restricted to represent cash basis), tax, capitalisation, depreciation, amortisation, non-recurring items, share based payments and takes into account the phasing of milestone payments received from publishers).*”

This statement constitutes a profit forecast for the purposes of Rule 28 of the Code. The Codemasters Profit Forecast, the assumptions on which it is based, and the reports from Grant Thornton (as reporting accountants to Codemasters) and Jefferies (as financial adviser to Codemasters) as required by Rule 28.1(a) of the Code were included in Part 6 of the Take-Two Offer Scheme Document.

In accordance with Rule 27.2(d) of the Code, the Codemasters Directors confirm that they consider that the Codemasters Profit Forecast remains valid at the date of this document and both Grant Thornton (as reporting accountants to Codemasters) and Jefferies (as financial adviser to Codemasters) have confirmed to the Codemasters Board that their reports dated 30 November 2020 continue to apply as at the date of this document.

8. Codemasters Share Schemes

The Acquisition shall extend to any Codemasters Shares which are unconditionally allotted or issued and fully paid pursuant to the exercise of any existing options or awards which are vested and exercisable under the Codemasters Share Schemes prior to the Scheme Record Time.

It is anticipated that all other options and awards granted pursuant to the Codemasters Share Schemes and which remain outstanding will vest and become exercisable as a result of the Court having sanctioned the Scheme.

Participants in the Codemasters Share Schemes will be contacted separately shortly after the date of this document regarding the effect of the Acquisition on their rights under the Codemasters Share Schemes and the proposals applicable to such participants in accordance with Rule 15 of the Code. Participants will be given the opportunity to exercise their outstanding options and awards, in advance

of, and conditionally on, the sanction of the Scheme at the Court Hearing. The Codemasters Shares to which participants become entitled on exercise will be acquired by Bidco subject to the terms of the Scheme. Any Codemasters Shares to which participants become entitled on any subsequent exercise of options or awards will be automatically acquired by Bidco for the same consideration as payable under the Scheme under the amendment to the Codemasters Articles to be proposed at the General Meeting.

9. UK Taxation

Your attention is drawn to paragraph 5 of Part 6 (*Additional Information*) of this document which contains a summary of limited aspects of the UK tax treatment of the Scheme. The summary relates only to the position of certain categories of Codemasters Shareholders (as explained further in paragraph 5 of Part 6 (*Additional Information*) of this document), does not constitute tax advice and does not purport to be a complete analysis of all potential UK tax consequences of the Scheme.

Although this document contains certain tax-related information, if you are in any doubt about your own tax position or you are subject to taxation in any jurisdiction outside the UK, you should consult an appropriately qualified independent professional adviser.

10. Action to be taken

Your attention is drawn to the section of this document entitled '*Action to be taken*', which sets out in full the actions you should take in respect of voting on the Acquisition and the Scheme.

Overseas Shareholders holding Codemasters Shares should refer to paragraph 15 of Part 2 (*Explanatory Statement*) of this document. Details relating to settlement are included in paragraph 11 of Part 2 (*Explanatory Statement*) of this document.

The Court Meeting and the General Meeting will be held at Codemasters Campus, Stoneythorpe, Southam, Warwickshire, CV47 2DL on 3 February 2021 at 10:00 a.m. and 10:15 a.m. respectively (or, in the case of the General Meeting, as soon as the Court Meeting has concluded or been adjourned, if later). Further details of the Court Meeting and the General Meeting are set out in paragraph 3(c) of Part 2 (*Explanatory Statement*) of this document.

The Codemasters Board notes the measures imposed by the UK Government in view of the ongoing COVID-19 pandemic. At the time of publication of this document, the UK Government has prohibited large public gatherings, save in certain limited circumstances. In light of these measures, together with the uncertainty as to any additional and/or alternative measures that may be put in place by the UK Government, and in order to protect the health and safety of Scheme Shareholders, Codemasters Shareholders and Codemasters Directors, the Codemasters Board hopes that Codemasters Shareholders will understand that Scheme Shareholders, Codemasters Shareholders and other attendees will not be permitted to attend the Court Meeting or the General Meeting in person, save for the Chairman and anyone else nominated by the Chairman in order to establish a quorum.

Scheme Shareholders and Codemasters Shareholders are strongly encouraged to appoint "the Chairman of the meeting" as their proxy. If any other person is appointed as proxy, he or she will not be permitted to attend the relevant Meeting in person, but will be able to attend, submit written questions (and/or, in the case of the Court Meeting, any objections) and vote at the relevant Meeting remotely via the Virtual Meeting Platform further details of which are set out in the Virtual Meeting Guide.

It is important that, for the Court Meeting, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of the Scheme Shareholders. You are therefore encouraged to complete and return your Forms of Proxy, make an electronic appointment of a proxy or submit a proxy vote via CREST as soon as possible.

11. Recommendation

The Codemasters Directors, who have been so advised by Jefferies as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Codemasters Directors, Jefferies has taken into account the commercial

assessments of the Codemasters Directors. Jefferies is providing independent financial advice to the Codemasters Directors for the purposes of Rule 3 of the Code.

Accordingly, the Codemasters Directors recommend unanimously that Codemasters Shareholders vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting (or, if the Acquisition is implemented as an Offer, to accept such Offer).

12. Further information

Your attention is drawn to the letter from Jefferies set out in Part 2 (*Explanatory Statement*) of this document (being the explanatory statement made in compliance with section 897 of the Companies Act), which gives further details about the Acquisition and to the terms of the Scheme that are set out in full in Part 4 (*The Scheme of Arrangement*) of this document.

Please note that reading the information in this letter is not a substitute for reading the remainder of this document.

You are advised to read the whole of this document and not just rely on the summary information contained in this letter.

Yours faithfully

Gerhard Florin
Chairman

PART 2

EXPLANATORY STATEMENT

(in compliance with section 897 of the Companies Act)

Jefferies

7 January 2021

To all Codemasters Shareholders and, for information only, to participants in the Codemasters Share Schemes

Dear Codemasters Shareholder

**RECOMMENDED ACQUISITION OF CODEMASTERS GROUP HOLDINGS PLC
BY CODEX GAMES LIMITED, AN INDIRECT SUBSIDIARY OF ELECTRONIC ARTS INC.
TO BE IMPLEMENTED BY WAY OF A SCHEME OF ARRANGEMENT**

1. Introduction

On 14 December 2020, the Codemasters Board and the EA Board announced that they had reached agreement regarding the terms of a recommended offer to be made by Bidco to acquire the entire issued and to be issued ordinary share capital of Codemasters. The Acquisition is to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act.

Your attention is drawn to the letter from the Chairman of Codemasters, Gerhard Florin, set out in Part 1 (*Letter from the Chairman of Codemasters*), which forms part of this Explanatory Statement. That letter contains, among other things, information on the background to and reasons for recommending the Acquisition and the unanimous recommendation by the Codemasters Board to Codemasters Shareholders to vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting.

Specifically, the letter from the Chairman of Codemasters set out in Part 1 (*Letter from the Chairman of Codemasters*) of this document also states that the Codemasters Directors, who have been so advised by Jefferies as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Codemasters Directors, Jefferies has taken into account the commercial assessments of the Codemasters Directors.

We have been authorised by the Codemasters Directors to write to you to explain the terms of the Acquisition and the Scheme and to provide you with other relevant information. This Explanatory Statement contains a summary of the provisions of the Scheme. The Scheme is set out in full in Part 4 (*The Scheme of Arrangement*) of this document. Your attention is drawn to the other parts of this document, including the information in Part 6 (*Additional Information*) of this document.

The Scheme is subject to the Conditions set out in Part 3 (*Conditions to and further terms of the Acquisition*) of this document being satisfied or (where applicable) waived.

Codemasters Shareholders should read the whole of this document before deciding whether or not to vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting.

2. Summary of the terms of the Acquisition and the Scheme

The Acquisition is to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act, which is set out in full in Part 4 (*The Scheme of Arrangement*) of this document.

Terms of the Acquisition

Under the terms of the Acquisition, Scheme Shareholders will be entitled to receive:

for each Scheme Share held at the Scheme Record Time: 604 pence in cash

The terms of the Acquisition value Codemasters' entire issued and to be issued share capital at approximately £945 million (US\$1,248 million based on the exchange rate of US\$1.32:£1 on 11 December 2020, being the last practicable date prior to the Announcement Date) on a fully diluted basis.

The terms of the Acquisition represent a premium of approximately:

- 14.4 per cent. to the current value of 528 pence per Codemasters Share implied by the Take-Two Offer (based on the closing price of a Take-Two Share of US\$190.21 and the exchange rate of US\$1.32:£1 on 11 December 2020, being the last practicable date prior to the Announcement Date);
- 72.6 per cent. to the Closing Price per Codemasters Share of 350 pence on 22 September 2020, being the date of Take-Two's initial proposal to Codemasters;
- 55.7 per cent. to the volume weighted average price per Codemasters Share of 388 pence in the 90 days ending on the 5 November 2020 (being the day prior to media speculation of Take-Two's possible interest in an offer for Codemasters); and
- 38.9 per cent. to the Closing Price per Codemasters Share of 435 pence on 5 November 2020 (being the day prior to media speculation of Take-Two's possible interest in an offer for Codemasters).

The Codemasters Shares will be acquired by Bidco (or its nominee) with full title guarantee, fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the Announcement Date or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Announcement Date and prior to the Effective Date in respect of the Codemasters Shares.

If any dividend or other distribution in respect of the Codemasters Shares is announced, declared, payable or paid in respect of the Codemasters Shares on or after the Announcement Date and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Codemasters Share by the amount of all or part of any such dividend or other distribution. If Bidco exercises this right to make such a reduction in respect of a dividend or distribution, Codemasters Shareholders will be entitled to receive and retain that dividend or other distribution. Any exercise by Bidco of its right referred to in this paragraph will be announced via a Regulatory Information Service.

3. Structure of the Acquisition

(a) The Scheme

It is intended that the Acquisition will be implemented by way of the Scheme. The Scheme is an arrangement to be made between Codemasters and the Scheme Shareholders, to which Bidco will adhere, under Part 26 of the Companies Act. This involves an application by Codemasters to the Court to sanction the Scheme pursuant to which the Scheme Shares will be transferred to Bidco, in consideration for which the Scheme Shareholders on the register of members of Codemasters at the Scheme Record Time will receive the Offer Price from Bidco on the basis set out in paragraph 2 of this Part 2 (*Explanatory Statement*).

Any Codemasters Shares issued on or before the Scheme Record Time will be subject to the terms of the Scheme. The Scheme will not extend to Codemasters Shares issued after the Scheme Record Time. Scheme Shares will be acquired by Bidco pursuant to the Scheme fully paid and free from all liens, charges, equitable interests, encumbrances, rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto,

including voting rights and the rights to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the Announcement Date.

If the Scheme does not become Effective on or before the Long Stop Date (or such later date as EA, Bidco and Codemasters may agree with the consent of the Panel and/or the Court, if such consent is required), it will lapse and the Acquisition will not proceed (unless the Panel otherwise consents).

(b) **Conditions to the Acquisition**

The Scheme and the Acquisition are subject to satisfaction (or, where applicable, waiver) of the Conditions set out in Part 3 (*Conditions to and further terms of the Acquisition*) of this document and shall only become Effective if, among other things, the following events occur by no later than 11:59 p.m. on the Long Stop Date:

- (i) satisfaction (or, where applicable, waiver) of the Conditions including the receipt of clearances or relevant waiting periods having expired as applicable under the merger control regimes in Austria and Germany;
- (ii) approval of a majority in number of the Codemasters Shareholders who are present and vote, either via the Virtual Meeting Platform or by proxy, at the Court Meeting and who represent not less than 75 per cent. in value of the Codemasters Shares voted by those Codemasters Shareholders;
- (iii) approval of the requisite majority of the votes cast, either via the Virtual Meeting Platform or by proxy, of the Special Resolution at the General Meeting; and
- (iv) sanction of the Scheme by the Court and, following such sanction, the delivery of a copy of the Court Order to the Registrar of Companies.

The Scheme (and the Acquisition) will lapse if:

- (i) it does not become Effective by 11.59 p.m. on the Long Stop Date;
- (ii) the Court Meeting is not held on or before 25 February 2021 (being the 22nd day after the date of the Court Meeting (3 February 2021) as set out in this document) (or such later date as may be agreed between EA, Bidco and Codemasters and the Court may allow);
- (iii) the General Meeting is not held on or before 25 February 2021 (being the 22nd day after the date of the General Meeting (3 February 2021) as set out in this document) (or such later date as may be agreed between EA, Bidco and Codemasters and the Court may allow); or
- (iv) the Scheme is not sanctioned on or before 10 March 2021 (being the 22nd day after the expected date of the Court Hearing (16 February 2021) as set out in this document) (or such later date as may be agreed between EA, Bidco and Codemasters and the Court may allow) and a copy of the Court Order is not delivered to the Registrar of Companies,

and such deadlines are not waived by Bidco or otherwise extended by agreement between EA, Bidco and Codemasters, with the consent of the Panel and/or the Court (if such consent is required).

The Scheme will only become Effective once a copy of the Court Order is delivered to the Registrar of Companies. Upon the Scheme becoming Effective, it will be binding on all Codemasters Shareholders, whether or not they attended or voted at the Meetings and whether or not they voted in favour of the Scheme.

Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become Effective by 18 February 2021.

The Scheme and the Acquisition will also be subject to the Conditions and further terms set out in Part 3 (*Conditions to and further terms of the Acquisition*) of this document.

Bidco may not invoke a Condition so as to cause the Acquisition not to proceed unless the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. The Conditions relating to the approval of the Scheme at the Court Meeting, the passing of the Special Resolution at the General Meeting and the sanction of the Scheme by the Court, amongst others, are not subject to this requirement. All Codemasters Shareholders are entitled to attend the Court Hearing in person or through representation to support or oppose the sanctioning of the Scheme, subject to COVID-19 Restrictions (and other relevant guidance) in place at the time.

(c) **Codemasters Shareholder approvals**

The Scheme and the Acquisition are subject to satisfaction or (if applicable) waiver of the Conditions set out in Part 3 (*Conditions to and further terms of the Acquisition*) of this document. In order to become Effective, the Scheme will require the approval of the Scheme Shareholders at the Court Meeting and the passing of the Special Resolution by the Codemasters Shareholders at the General Meeting, both of which will be held at Codemasters Campus, Stonythorpe, Southam, Warwickshire CV47 2DL on 3 February 2021 at 10:00 a.m. and 10:15 a.m. respectively (or, in the case of the General Meeting, as soon as the Court Meeting has concluded or been adjourned, if later). The Court Meeting is being convened with the permission of the Court to seek the approval of Scheme Shareholders for the Scheme. The General Meeting is being convened by the Codemasters Directors to seek the approval of the Codemasters Shareholders to enable the Codemasters Directors to implement the Scheme and to amend the Codemasters Articles as described in paragraph (e) below (subject to and conditional upon the Scheme becoming Effective).

Notices of both the Court Meeting and the General Meeting are set out at Part 9 (*Notice of Court Meeting*) and Part 10 (*Notice of General Meeting*) of this document, respectively.

In light of the current COVID-19 Restrictions, Scheme Shareholders, Codemasters Shareholders and other attendees will not be permitted to attend (or vote at) the Court Meeting or the General Meeting in person, save for the Chairman of the relevant Meeting and anyone else nominated by the Chairman of the relevant Meeting in order to establish a quorum. Scheme Shareholders and Codemasters Shareholders can remotely attend, submit written questions and/or any objections (in the case of the Court Meeting) and vote at the Court Meeting or the General Meeting in each case via the Virtual Meeting Platform, as described in the opening pages of this document, the Virtual Meeting Guide and in the notices of the Court Meeting and the General Meeting (see Parts 9 (*Notice of Court Meeting*) and 10 (*Notice of General Meeting*) respectively of this document).

Access to the Meetings will be available from 9:45 a.m. on 3 February 2021, although questions cannot be submitted until the relevant Meeting is declared open and the voting functionality will not be enabled until the Chairman of the relevant Meeting declares the poll open. Scheme Shareholders and Codemasters Shareholders will be permitted to submit written questions during the course of the relevant Meeting via the Virtual Meeting Platform. Scheme Shareholders can use the same function to submit any written objections they may have to the Scheme at the Court Meeting. The Chairman of the relevant Meeting will ensure that all such questions and/or any objections (in the case of the Court Meeting) relating to the formal business of the relevant Meeting are addressed during the relevant Meeting, unless no response is required to be provided under the Companies Act or the provision of a response would, at the Chairman's discretion, otherwise be undesirable in the interests of Codemasters or the good order of the relevant Meeting.

If you are in any doubt as to whether or not you are permitted to vote at either the Court Meeting or the General Meeting or have any questions in relation to this document, the Meetings, or the completion and return of the Forms of Proxy, please contact Codemasters' registrar, Link Group, using the contact information set out in the section headed 'Action to be taken' on pages 12 to 14 of this document.

The Scheme and the Acquisition are subject to the approval of Scheme Shareholders by the passing of a resolution at the Court Meeting. At the Court Meeting, voting will be by poll and not a show of hands and each Scheme Shareholder present remotely via the Virtual Meeting

Platform or by proxy will be entitled to one vote for each Scheme Share held by them at the Voting Record Time. This resolution must be approved by a majority in number of those Scheme Shareholders who are on the register of members of Codemasters at the Voting Record Time and are present and voting at the Court Meeting, either remotely via the Virtual Meeting Platform or by proxy, and the Scheme Shares voted in favour must represent not less than 75 per cent. in value of all the Scheme Shares voted by the Scheme Shareholders. Codemasters Shares beneficially owned by EA, Bidco or another member of the EA Group will not be eligible to be voted on the resolution at the Court Meeting to approve the Scheme and the Scheme will not apply to such Codemasters Shares. As at the Last Practicable Date, there were no Codemasters Shares registered in the name of or beneficially owned by EA, Bidco or another member of the EA Group.

It is important that, for the Court Meeting, in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of the Scheme Shareholders. Whether or not you intend to attend and/or vote (in each case, remotely, via the Virtual Meeting Platform) at the Meetings, you are strongly advised to sign and return your Forms of Proxy by post or transmit a proxy appointment and voting instruction (electronically, online, through CREST or, in respect of the Court Meeting, by email) for the Meetings as soon as possible. The completion and return of the Forms of Proxy by post (or transmission of a proxy appointment or voting instruction electronically, online, through CREST or by any other procedure described in this document) will not prevent you from remotely attending, submitting written questions (and/or, in the case of the Court Meeting, any objections) and voting at the Meetings, in each case via the Virtual Meeting Platform as described in the opening pages of this document and in the Virtual Meeting Guide, if you are so entitled and wish to do so.

If the BLUE Form of Proxy for the Court Meeting is not lodged by the relevant time, it may be emailed to Rachel.Sellers@linkgroup.co.uk at any time prior to the commencement of the Court Meeting.

In addition to the Court Meeting, the General Meeting has been convened to consider and, if thought fit, pass the Special Resolution (which requires a vote in favour of not less than 75 per cent. of the votes cast, whether remotely via the Virtual Meeting Platform or by proxy) to approve the taking of actions by the Codemasters Directors to implement the Scheme and to approve the adoption of certain amendments to the Codemasters Articles in accordance with the Scheme and in the manner described in paragraph (e) below.

Voting on the Special Resolution will be by way of a poll and each Codemasters Shareholder present remotely via the Virtual Meeting Platform or by proxy will be entitled to one vote for every Codemasters Share held by them at the Voting Record Time.

Entitlement to attend, submit written questions and vote (in each case, remotely, via the Virtual Meeting Platform) at these Meetings and the number of votes which may be cast at the Meetings will be determined by reference to the register of members of Codemasters at the Voting Record Time. All Codemasters Shareholders whose names appear on the register of members of Codemasters at 6:00 p.m. on 1 February 2021 or, if either the Court Meeting or the General Meeting is adjourned, on the register of members at 6:00 p.m. on the date which is two days preceding the date set for the adjourned Meeting (excluding any day which is not a Business Day), shall be entitled to attend, submit written questions and vote (in each case, remotely, via the Virtual Meeting Platform) at the relevant Meeting in respect of the number of Codemasters Shares registered in their name at the relevant time.

(d) **Court Hearing**

The Scheme also requires the sanction of the Court at the Court Hearing. The Court Hearing is currently expected to take place at 10:30 a.m. on 16 February 2021.

Any change to the date of the Court Hearing will be communicated to Codemasters Shareholders by an announcement via a Regulatory Information Service and published on Codemasters' website at www.codemasters.com/investors/#electronic-arts. Bidco has confirmed that it will undertake to the Court to be bound by the Scheme and to execute and do, or procure the execution or doing, of all such documents, acts and things as may be necessary or desirable to

be executed or done by it for the purposes of giving effect to the Scheme. All Scheme Shareholders are entitled to attend the Court Hearing in person or through Counsel to support or oppose the sanctioning of the Scheme. If physical attendance at the Court Hearing is not practicable due to COVID-19 Restrictions (or related guidelines) in place at the time, the Court may direct the hearing to proceed by means of video-conference, in which case details will be announced in due course. The Court may deliver its decision in relation to the Court's sanction on the day of the Court Hearing or at a later date.

The Scheme will become Effective as soon as a copy of the Court Order has been delivered to the Registrar of Companies. Upon the Scheme becoming Effective, Codemasters will become a wholly-owned subsidiary of Bidco. It is intended that, after the Scheme has become Effective, the admission to trading on AIM of the Codemasters Shares will be cancelled.

Settlement of the Offer Price to which any Scheme Shareholder is entitled under the Scheme will be effected as set out in paragraph 11 of this Part 2 (*Explanatory Statement*) as soon as practicable and, in any case, within 14 days following the Effective Date.

If the Scheme becomes Effective, it will be binding on all Scheme Shareholders (including holders of Codemasters Shares issued before the Scheme Record Time pursuant to options and awards granted under the Codemasters Share Schemes), including any Scheme Shareholders who did not vote to approve the Scheme or who voted against the Scheme at the Court Meeting or the General Meeting.

(e) ***Amendment to the Codemasters Articles***

The Special Resolution to be proposed at the General Meeting contains provisions to amend the Codemasters Articles to ensure that any Codemasters Shares issued (other than to EA, Bidco its nominees or any member of the EA Group) after the Scheme Record Time will automatically be acquired by Bidco on the same terms as under the Scheme. These provisions will avoid any person (other than a member of the EA Group) holding Codemasters Shares after dealings in such shares have ceased on AIM. Paragraph (d) of the Special Resolution set out in the notice of the General Meeting in Part 10 (*Notice of General Meeting*) of this document seeks the approval of Codemasters Shareholders for such amendment.

(f) ***Modifications to the Scheme***

The Scheme contains a provision for Codemasters, EA and Bidco to consent on behalf of all persons concerned to any modification of, addition to, or condition approved or imposed on, the Scheme by the Court. The Court would be unlikely to approve any modification of, or additions to, or impose a condition to the Scheme which might be material to the interests of the Scheme Shareholders unless Scheme Shareholders were informed of such modification, addition or condition. It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of Scheme Shareholders should be held in these circumstances.

(g) ***Right to switch to an Offer***

Bidco has reserved the right, subject to the prior consent of the Panel, to implement the Acquisition by making an Offer, in which case additional documents will be required to be sent to Codemasters Shareholders. In such an event, the Offer will be implemented on the same terms (subject to appropriate amendments, including, if the Panel so agrees, an acceptance condition set at 90 per cent. of the shares to which such offer relates or such other lower percentage as the Panel may agree provided that if it became or was declared unconditional in all respects, the Offer would result in Bidco holding Codemasters Shares carrying greater than 50 per cent. of the voting rights in Codemasters).

4. Information on Codemasters

Codemasters is a public limited company incorporated in England and Wales and is the holding company of the Codemasters Group. The Codemasters Shares are admitted to trading on AIM (AIM: CDM). Codemasters has a market capitalisation of approximately £994 million based upon the Closing Price of 652 pence per Codemasters Share on AIM and 152,464,355 Codemasters Shares in issue, in each case as at the Last Practicable Date.

Codemasters is an award-winning British developer of high quality racing games across console, PC and mobile. Bidco

Bidco is a newly-incorporated English private limited company and an indirect subsidiary of EA. Bidco has been formed at the direction of EA for the purposes of implementing the Acquisition. Bidco has not traded since its date of incorporation, nor has it entered into any obligations other than in connection with the Acquisition.

6. Financial position of the Combined Group

With effect from the Effective Date, the EA Directors expect that the Acquisition would have a positive impact on EA's net bookings and underlying profitability following completion of the Acquisition. Additionally, with effect from the Effective Date, the assets and liabilities of the Combined Group will include the assets and liabilities of the Codemasters Group. The EA Directors are of the view that the Acquisition is not expected to have any material adverse impact on the financial position of the EA Group.

7. Offer related arrangements

Summaries of offer-related arrangements are set out in paragraph 8 of Part 6 (*Additional Information*) of this document. These agreements have been published on EA's website at www.ea.com/codemasters-group and on Codemasters' website at www.codemasters.com/investors/#electronic-arts

8. Codemasters Directors and the effect of the Scheme on their interests

Details of the interests of the Codemasters Directors in Codemasters Shares and options and awards in respect of Codemasters Shares are set out in paragraph 4 of Part 6 (*Additional Information*) of this document.

Codemasters Executive Directors

Frank Sagnier, Chief Executive Officer of Codemasters, Rashid Varachia, Chief Financial Officer of Codemasters and Ian Bell, CEO of Slightly Mad Studios, will remain with Codemasters following completion of the Acquisition.

Codemasters Non-Executive Directors

All Non-Executive Codemasters Directors will step down from the Codemasters Board with effect from the Effective Date.

Particulars of service contracts and letters of appointment of the Codemasters Directors are set out in paragraph 9 of Part 6 (*Additional Information*) of this document.

Save as set out in this document, the effect of the Scheme on the interests of the Codemasters Directors does not differ from its effect on the like interests of any other persons.

9. Financing of the Acquisition

If the Scheme becomes Effective, it will result (assuming that all options or awards under the Codemasters Share Schemes are exercised prior to the Court's sanction of the Scheme), in a total cash consideration of approximately £945 million being paid.

EA will finance the cash consideration payable to Codemasters Shareholders pursuant to the Acquisition from existing cash and cash equivalent resources on its balance sheet. UBS, as financial adviser to EA and Bidco, is satisfied that cash resources available to Bidco are sufficient to enable it to satisfy in full the cash consideration payable to Codemasters Shareholders under the terms of the Acquisition.

10. Cancellation of admission to trading of Codemasters Shares

Prior to the Scheme becoming Effective, an application will be made to the London Stock Exchange for the cancellation of admission to trading on AIM of Codemasters Shares, to take effect shortly after the Effective Date. The last day of trading/dealings and for registration of transfers of and disablement of CREST of Codemasters Shares on AIM is expected to be the Business Day immediately after the Court Hearing and no transfers will be registered after 6:00 p.m. on that date (other than the registration of the transfer of Codemasters Shares to Bidco or EA (or its nominee(s)) pursuant to the Scheme) following which the Codemasters Shares will be suspended from trading on AIM.

The Special Resolution also provides for the re-registration of Codemasters as a private company conditional on the cancellation of admission of the Codemasters Shares to trading on AIM.

On the Effective Date, Codemasters will become a subsidiary of Bidco and share certificates in respect of Codemasters Shares will cease to be valid and should be destroyed. In addition, entitlements to Codemasters Shares held within the CREST system will be cancelled on the Effective Date.

Following settlement of the Offer Price to which a Scheme Shareholder is entitled under the Scheme, Scheme Shareholders will be bound on the request of Codemasters either: (i) to destroy such share certificates in respect of Scheme Shares; or (ii) to return such share certificates to Codemasters, or to any person appointed by Codemasters, for cancellation.

Upon the Scheme becoming Effective, Bidco will acquire the Codemasters Shares fully paid and free from all liens, equitable interests, charges, encumbrances and other third-party rights of any nature whatsoever and together with all rights attaching to them including the right to receive and retain all dividends and distributions (if any) declared after the Effective Date.

11. Settlement

Subject to the Scheme becoming Effective, settlement of the consideration to which any Scheme Shareholder is entitled thereunder will be effected within 14 days following the Effective Date in the manner set out below.

(a) *Scheme Shares held in uncertificated form (that is, in CREST)*

Where, at the Scheme Record Time, a Scheme Shareholder holds Scheme Shares in uncertificated form, settlement of the cash consideration to which the Scheme Shareholder is entitled pursuant to the Scheme will be made by means of CREST by Bidco procuring that Euroclear is instructed to create an assured payment obligation in favour of the relevant Scheme Shareholder's payment bank in respect of the cash payment due to that Scheme Shareholder within 14 days following the Effective Date, in accordance with the CREST assured payment arrangements, provided that Bidco reserves the right to make such payment by cheque as set out in the paragraph below if, for reasons outside its reasonable control, it is not able to effect settlement through CREST.

(b) ***Scheme Shares held in certificated form (that is, not in CREST)***

Where, at the Scheme Record Time, a Scheme Shareholder holds Scheme Shares in certificated form, settlement of cash consideration to which such Scheme Shareholder is entitled pursuant to the Scheme will be settled by Bidco by cheque. Cheques shall be despatched within 14 days following the Effective Date.

If any Scheme Shareholders have not encashed their cheques within six months following the Effective Date, Bidco and Codemasters shall procure that the cash consideration due to such Scheme Shareholders under the Scheme shall be held by the Receiving Agent in a designated UK bank account for a period of at least 12 years from the Effective Date solely for the purpose of satisfying Bidco's payment obligations under the Scheme, and such Scheme Shareholders may claim the consideration due to them by written notice to Codemasters or the Receiving Agent in a form and with such evidence which Codemasters determines evidences their entitlement to such consideration at any time during the period of 12 years from the Effective Date.

(c) ***General***

All remittances sent to Scheme Shareholders in accordance with this paragraph 11 will be sent at the risk of the person(s) entitled thereto.

Save with the consent of the Panel, settlement of the Offer Price to which any Scheme Shareholder is due under the Scheme will be implemented in full in accordance with the terms set out in the Scheme and this Part 2 (*Explanatory Statement*) without regard to any lien, right of set off, counterclaim or analogous right to which Bidco may otherwise be, or claim to be, entitled against any Scheme Shareholder.

(d) ***Codemasters Share Schemes***

In the case of Scheme Shares issued pursuant to the Codemasters Share Schemes after the Court Hearing and prior to the Scheme Record Time, Bidco may satisfy the consideration due to the relevant Scheme Shareholders by the payment to Codemasters of the aggregate consideration no later than 14 days after the Effective Date and Codemasters will procure that any such sums paid to it are paid to the relevant Scheme Shareholders through payroll of the relevant employing company as soon as practicable and subject deductions or withholdings in respect of the exercise price or as required by law (including of applicable income tax and social security contributions or their equivalent in any jurisdiction).

12. UK Taxation

Your attention is drawn to paragraph 5 of Part 6 (*Additional Information*) of this document which contain summaries of limited aspects of the UK tax treatment of the Scheme. The summary relates only to the position of certain categories of Codemasters Shareholders (as explained further in paragraph 5 of Part 6 (*Additional Information*) of this document), does not constitute tax advice and does not purport to be a complete analysis of all potential UK consequences of the Scheme.

Although this document contains certain tax-related information, if you are in any doubt about your own tax position or you are subject to taxation in any jurisdiction outside the UK, you should consult an appropriately qualified independent professional adviser.

13. Codemasters Share Schemes

The effect of the Scheme in relation to Codemasters Share Schemes is described in paragraph 8 of the letter from the Chairman of Codemasters in Part 1 (*Letter from the Chairman of Codemasters*) of this document.

14. Codemasters dividends and dividend policy

Codemasters has never declared or paid any cash dividends.

Codemasters does not anticipate paying dividends. The Codemasters Board's stated strategy has been to retain Codemasters' earnings in order to pursue its growth strategy. The ability of Codemasters to

pay dividends is dependent on a number of factors and there is no assurance that Codemasters will pay dividends or, if a dividend is paid, what the amount of such dividend will be.

15. Overseas Shareholders

General

The release, publication or distribution of this document in, into or from jurisdictions other than the United Kingdom may be restricted by the laws of those jurisdictions and therefore persons into whose possession this document and any accompanying documents come should inform themselves about, and observe, any applicable restrictions. Any failure to comply with such restrictions may constitute a violation of the securities laws of such jurisdictions. All Codemasters Shareholders (including, without limitation, nominees, trustees or custodians) who would, or otherwise intend to, forward this document and its accompanying documents to any jurisdiction outside the United Kingdom should seek appropriate independent professional advice before taking any action.

Neither this document nor any of the accompanying documents constitutes the extension of an offer to acquire, purchase, subscribe for, sell or exchange (or the solicitation of an offer to acquire, purchase, subscribe for, sell or exchange) any securities in any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and any such offer (or solicitation) may not be extended in any such jurisdiction. Nothing in this document or the accompanying documents should be relied upon for any other purpose.

The implications of the Acquisition for Overseas Shareholders may be affected by the laws of the relevant jurisdictions. Overseas Shareholders should inform themselves about and observe any applicable legal requirements. It is the responsibility of each Overseas Shareholder to satisfy himself as to the full observance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, or the compliance with other necessary formalities which are required to be observed and the payment of any issue, transfer or other taxes due in such jurisdiction. Overseas Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This document and its accompanying documents have been prepared for the purposes of complying with English law and the Code and the information disclosed may not be the same as that which would have been disclosed if these documents had been prepared in accordance with the laws of jurisdictions outside the United Kingdom. **Overseas Shareholders should consult their own legal and tax advisers with regard to the legal and tax consequences of the Scheme to their particular circumstances.**

US Codemasters Shareholders

The Acquisition relates to the shares of an English incorporated company and is being made by way of a scheme of arrangement provided for under Part 26 of the Companies Act. The Acquisition, implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the US Securities and Exchange Act, 1934 as amended. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a company in England whose shares are admitted to trading on AIM (the market of that name operated by the London Stock Exchange), which differ from the disclosure requirements of US tender offer and proxy solicitation rules. If, in the future, Bidco exercises its right to implement the Acquisition by way of an Offer and determines to extend the Offer into the United States, the Acquisition will be made in compliance with applicable US laws and regulations.

The financial information included in this document in relation to Codemasters has been prepared in accordance with International Financial Reporting Standards (as adopted by the European Union) and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

It may be difficult for US Codemasters Shareholders to enforce their rights and any claim arising out of the US federal securities laws, because Codemasters is located in a non-US country, and some or all of its officers and directors are residents of a non-US country. US Codemasters Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the

US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

US Codemasters Shareholders also should be aware that the Acquisition contemplated herein may have tax consequences in the US and that such consequences, if any, are not described herein. US Codemasters Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

16. Action to be taken

Please check that you have received the following with this document

- a BLUE Form of Proxy to be used in connection with the Court Meeting;
- a WHITE Form of Proxy to be used in connection with the General Meeting; and
- the Virtual Meeting Guide prepared by Lumi explaining how Codemasters Shareholders and Scheme Shareholders can remotely access and participate in the Meetings via the Virtual Meeting Platform.

The Forms of Proxy have been supplied with a pre-paid business return envelope for your convenience (for use in the UK and Channel Islands only).

Please lodge your Forms of Proxy by the proxy deadline.

Whether or not you intend to attend (remotely, via the Virtual Meeting Platform) the Court Meeting and/or the General Meeting, please either submit your proxies electronically using one of the methods set out below or complete and sign both Forms of Proxy and return them so as to reach Link Group, using the pre-paid business return envelope (for use in the UK and Channel Islands only) by the proxy deadline.

Instructions on how to complete the Forms of Proxy are set out on the forms. Completed Forms of Proxy should be returned so as to be received by Link Group by 10:00 a.m. on 1 February 2021 in the case of the Court Meeting and 10:15 a.m. on 1 February 2021 in the case of the General Meeting. You can also submit your proxy electronically using the Signal Shares share portal service at www.signalshares.com, so as to be received by not later than 48 hours before the relevant Meeting.

If you hold your Codemasters Shares in uncertificated form (that is, in CREST) you may vote using the CREST proxy voting service in accordance with the procedures set out in the CREST Manual (please also refer to the accompanying notes to the Notice of the Court Meeting and the Notice of the General Meeting set out at Parts 9 and 10 of this document).

Proxies submitted via CREST (under CREST ID RA10) must be received by Link Group not later than 10:00 a.m. on 1 February 2021 in the case of the Court Meeting and 10:15 a.m. on 1 February 2021 in the case of the General Meeting (or, in the case of an adjourned Meeting, not less than 48 hours prior to the time and date set for the adjourned Meeting (excluding any day which is not a Business Day)).

If the BLUE Form of Proxy for the Court Meeting is not lodged by 10:00 a.m. on 1 February 2021, it may be emailed to Rachel.Sellers@linkgroup.co.uk any time prior to the commencement of the Court Meeting. However, in the case of the WHITE Form of Proxy for use at the General Meeting, it will be invalid unless it is received by Link Group by no later than 10:15 a.m. on 1 February 2021. The completion and return of the Forms of Proxy by post (or transmission of a proxy appointment or voting instruction electronically, online, through CREST or by any other procedure described in this document) will not prevent you from remotely attending, submitting written questions (and/or, in the case of the Court Meeting) any objections and voting at the Meetings, in each case via the Virtual Meeting Platform as described in the opening pages of this document and in the Virtual Meeting Guide, if you are so entitled and wish to do so. Forms of Proxy sent by fax will not be valid.

It is important that, for the Court Meeting in particular, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of opinion of Scheme Shareholders. Whether or not you intend to attend and/or vote (in each case, remotely, via the Virtual Meeting Platform) at the Meetings, you are strongly advised to sign and return your Forms of Proxy (by post) or transmit a proxy appointment and voting instruction (electronically, online or through CREST) as soon as possible. The completion and return of the Forms of Proxy

by post (or transmission of a proxy appointment or voting instruction electronically, online, through CREST or by any other procedure described in this document) will not prevent you from remotely attending, submitting written questions (and/or, in the case of the Court Meeting, any objections) and voting at the Meetings, in each case via the Virtual Meeting Platform as described in the opening pages of this document and in the Virtual Meeting Guide, if you are so entitled and wish to do so.

Notices convening the Court Meeting and the General Meeting are set out in Part 9 (*Notice of Court Meeting*) and Part 10 (*Notice of General Meeting*) of this document respectively.

- 3.4 In the case of Scheme Shareholders that have not encashed their cheques within six months following the Effective Date, Bidco and Codemasters shall procure that the cash consideration due to such Scheme Shareholders shall be held by the Receiving Agent in a designated UK bank account for a period of at least 12 years from the Effective Date solely for the purpose of satisfying Bidco's payment obligations under the Scheme, and such Scheme Shareholders may claim the consideration due to them by written notice to Codemasters or the Receiving Agent in a form and with such evidence which Codemasters determines evidences their entitlement to such consideration at any time during the period of 12 years from the Effective Date.

5. UK Taxation

The following is a general guide to certain limited aspects of the UK tax treatment of the Scheme, and does not purport to be a complete analysis of all the potential UK tax considerations relating thereto.

The comments set out below do not constitute tax advice and are based on current United Kingdom tax law and HM Revenue & Customs’ published practice (which may not be binding on HM Revenue & Customs) as at the date of this document, both of which are subject to change, possibly with retrospective effect.

It applies only to Scheme Shareholders (a) who are resident for tax purposes solely in the United Kingdom at all relevant times and, in the case of individuals, to whom ‘split year’ treatment does not apply and who are domiciled for tax purposes only in the United Kingdom (except insofar as express reference is made to the treatment of non-United Kingdom residents); (b) who hold their shares in Codemasters as an investment (other than in an individual savings account or a self-invested personal pension); and (c) who are the absolute beneficial owners thereof.

The discussion does not address all possible tax consequences relating to an investment in any relevant shares. Certain categories of shareholders, including those carrying on certain financial activities (including market makers, brokers, dealers, intermediaries and persons connected with depository arrangements or clearance services), those subject to specific tax regimes or benefitting from certain reliefs and exemptions, those connected with Codemasters or EA, and those for whom the shares are employment-related securities may be subject to special rules and this summary does not apply to such shareholders.

Scheme Shareholders or prospective Codemasters shareholders who are resident or otherwise subject to taxation in a jurisdiction outside the United Kingdom, or who are in any doubt about their tax position, should consult their own professional advisers immediately.

UK taxation of chargeable gains

A Scheme Shareholder receiving cash from Bidco in respect of his or her (or its) Codemasters Shares will be treated as making a disposal of Codemasters Shares which may, depending on the Scheme Shareholder's individual circumstances (including the Scheme Shareholder's base cost in his or her (or its) holding of Codemasters Shares, and the availability of exemptions, reliefs or allowable losses), give rise to a liability to UK capital gains tax (in the case of Scheme Shareholders who are individuals) or UK corporation tax on chargeable gains (in the case of Scheme Shareholders within the charge to UK corporation tax).

Individual Codemasters Shareholders

Subject to any available reliefs or allowances, gains arising on a disposal of Codemasters Shares by an individual will be taxed at a rate of 10 per cent. except to the extent that the gain, when it is added to an individual Scheme Shareholder's other taxable income and gains in the relevant tax year, exceeds the upper limit of the income tax basic rate band (£37,500 for the 2020/2021 tax year, after giving effect to the personal allowance and any other applicable allowances), in which case it will be taxed at the rate of 20 per cent.

The capital gains tax annual exempt amount (£12,300 for the 2020/2021 tax year) may be available to individual Scheme Shareholders to offset against chargeable gains realised on the disposal of their Codemasters Shares.

Corporate Codemasters Shareholders

For Scheme Shareholders within the charge to UK corporation tax (but which do not qualify for the substantial shareholding, or any other, exemption in respect of their Codemasters Shares), a gain on the disposal of Codemasters Shares will be subject to corporation tax on chargeable gains in respect of the disposal, currently at a rate of 19 per cent.

UK Stamp Duty and Stamp Duty Reserve Tax ("SDRT")

No UK stamp duty or SDRT will be payable by Scheme Shareholders in respect of the transfer of the Scheme Shares pursuant to the Scheme.

6. Cash confirmation

Bidco will finance the cash consideration payable to Codemasters Shareholders pursuant to the Acquisition from existing cash and cash equivalent resources on its balance sheet.

UBS, as financial adviser to EA and Bidco, is satisfied that cash resources available to Bidco are sufficient to enable it to satisfy in full the cash consideration payable to Codemasters Shareholders under the terms of the Acquisition.

7. Material contracts

7.1 Codemasters

Save as disclosed below, there have been no contracts entered into by Codemasters or any of its subsidiaries during the period commencing on 5 November 2018 (the date two years before the commencement of the Offer Period) and ended on the Last Practicable Date which are outside the ordinary course of business and which are or may be considered material.

- (a) The Codemasters Software Company Limited ("**CSCL**"), a subsidiary of Codemasters, entered into an agreement ("**FIA Licence Agreement**") on 30 October 2019 with Formula One Digital Media Limited and Formula Motorsport Limited (together "**FOM**") to extend its contract for exclusive rights to develop and publish racing simulation games based on the FIA Formula One World Championship franchise to 2025. The FIA Licence Agreement supersedes and replaces the prior agreements between the parties in respect of FIA Formula One World Championship, the FIA Formula 2 Championship and the FIA Formula 3 Championship (save in respect of the "F1 2019" game (as defined therein) which continues to be operated and distributed in accordance with the terms of the prior agreements between the parties). The FIA Licence Agreement continues until

31 December 2025 and will be automatically extended until 31 December 2027 upon the satisfaction of certain targets.

Pursuant to the FIA Licence Agreement, CSCL has the right to produce and distribute up to three licensed games per Formula One World Championship. CSCL is required to pay a minimum guarantee to FOM, plus certain royalties. Under the FIA Licence Agreement, CSCL provides warranties to FOM in relation to, amongst other things, compliance with the terms of the FIA Licence Agreement and the entry into of any agreement which conflicts with the terms of the FIA Licence Agreement. CSCL also indemnifies FOM in respect of any claims, losses or expenses arising out of any breach of applicable law or third party intellectual property infringement by CSCL.

- (b) Codemasters entered into a share sale and purchase agreement (the “**SMS SPA**”) on 28 November 2019 with Ian Bell and others (the “**SMS Sellers**”), pursuant to which Codemasters acquired the entire issued share capital of SMS. The acquisition completed on 3 December 2019.

Pursuant to the terms of the SMS SPA, the initial consideration (the “**Initial Consideration**”) payable on completion comprised a cash payment of £19,411,445 (being the equivalent of US\$25 million at an exchange rate agreed between the parties) and the allotment and issue of 1,787,014 Codemasters Shares to the SMS Sellers. In addition, deferred consideration (the “**Deferred Consideration**”) made up of Codemasters Shares which at the time of issue have a market value of US\$5 million (subject to reduction for claims) and earn-out consideration (the “**Earn-Out Consideration**”) of up to a maximum of approximately US\$161 million is payable by Codemasters to the SMS Sellers upon the satisfaction of certain targets.

The Deferred Consideration was to be satisfied on the later of the date upon which the Fast & Furious game is commercially released by SMS or the date upon which SMS repaid certain indebtedness in full. The Deferred Consideration was satisfied by the allotment of 1,038,438 Codemasters Shares to the SMS Sellers on 7 August 2020 following the commercial release by SMS of the Fast & Furious game.

The Earn-Out Consideration is subject to the achievement of EBITDA targets for the three calendar years commencing on 1 January 2020 and ending on 31 December 2022 and is to be satisfied by a mix of cash payments and the issue of Codemasters Shares to the SMS Sellers. The Earn-Out Consideration is also subject to certain reductions in respect of debt and group borrowings.

The total consideration payable pursuant to the SMS SPA is limited to a maximum of approximately US\$196 million (subject to adjustments in respect of debt and group borrowings) and the maximum number of Codemasters Shares that may be issued to the SMS Sellers shall not exceed 20,000,000 Codemasters Shares. The SMS SPA contains warranties and certain indemnities which are customary for a transaction of this nature.

- (c) Each of the SMS Sellers (each a “**Locked-in Person**”) entered into a lock-in agreement (the “**SMS Lock-in Agreement**”) dated 28 November 2019 with Liberum, Jefferies (together the “**Joint-Brokers**”) and Codemasters, pursuant to the terms of which each Locked-in Person covenanted that they will not and will procure that their connected persons (as defined therein) will not dispose of: (i) any Codemasters Shares issued to them in satisfaction of the Initial Consideration for the acquisition of SMS during the period from completion of the acquisition of SMS (being 3 December 2019) and which expired on the date of the first anniversary of completion (being 3 December 2020) (the “**First Lock In Period**”), (ii) any Codemasters Shares subsequently issued to them in satisfaction of the Deferred Consideration for the acquisition of SMS during the period from the date of their issue (being 7 August 2020) and expiring on the date of the first anniversary of their issue (being 7 August 2021) (the “**Deferred Lock In Period**”), and (iii) any Codemasters Shares issued to them in satisfaction of the Earn-Out Consideration for the acquisition of SMS for each and every separate period commencing on the date of issue of any such shares, up to and including the first anniversary of the issue of such Codemasters Shares (the “**Subsequent Lock In Period**”).

These restrictions do not apply in certain circumstances including, amongst other things, a disposal to a permitted transferee (as defined therein), a disposal pursuant to an intervening court order, a disposal pursuant to a general offer for Codemasters, a disposal pursuant to a scheme of arrangement between Codemasters and its shareholders sanctioned under Part 26 of the Companies Act, and any disposal by a Locked-in Person consented to in advance in writing by each of the Joint Brokers. For the period of 12 months after the expiry of each of the First Lock In Period, the Deferred Lock In Period and the Subsequent Lock In Period, each Locked-in Person has also agreed that (except in certain circumstances), he (and his connected persons) will only sell the applicable Codemasters Shares, which are no longer subject to the lock-in agreements described above, after prior consultation with and through the Joint Brokers.

- (d) A placing agreement (the “**Placing Agreement**”) dated 28 November 2019 was entered into between Codemasters (1); Liberum (2); and Jefferies (3), pursuant to which Liberum and Jefferies severally agreed to use their respective reasonable endeavours to procure subscribers for 9,523,809 Codemasters Shares (the “**Placing Shares**”) at 210 pence per share (the “**Placing**”). The Placing Agreement was conditional, amongst other things, upon admission of the Placing Shares to trading on AIM (“**Placing Admission**”) on 3 December 2019 or such later date as Codemasters, Liberum and Jefferies agreed but in any event, not later than 12 December 2019.

The Placing Agreement provided for Codemasters to pay all expenses of and incidental to the Placing and the Placing Admission, including the reasonably and properly incurred fees and costs of other professional advisers, all costs relating to the Placing and the fees payable to the London Stock Exchange. Codemasters also agreed to pay, subject to the conditions having been satisfied or waived, Liberum and Jefferies a commission on the aggregate value of the Placing Shares issued on Placing Admission. The Placing Agreement contains warranties and indemnities given by Codemasters in favour of Liberum and Jefferies.

- (e) A co-operation agreement dated 10 November 2020, as amended and restated on 16 November 2020, entered into between Take-Two and Codemasters (the “**Take-Two Co-operation Agreement**”) pursuant to which: (i) Codemasters has agreed to co-operate with Take-Two to ensure the satisfaction of certain regulatory conditions, and Take-Two has entered into commitments in relation to obtaining regulatory clearances; (ii) Take-Two has agreed to provide Codemasters with certain information for the purposes of this document and to otherwise assist with the preparation of this document; (iii) Take-Two has agreed to certain provisions if the Scheme should switch to a Takeover Offer; and (iv) each of Codemasters and Take-Two have agreed to take certain action necessary to implement agreed proposals in relation to the Codemasters Share Option Schemes.

COVID-19 Restrictions

At the time of publication of this notice, the UK Government has prohibited large public gatherings, save in certain limited circumstances. In light of these measures, together with the uncertainty as to any additional and/or alternative measures that may be put in place by the UK Government, and in order to protect the health and safety of Scheme Shareholders and Codemasters Directors, the Codemasters Board hopes that Scheme Shareholders will understand that they and other attendees will not be permitted to attend the Court Meeting in person, save for the Chairman and anyone else nominated by the Chairman in order to establish a quorum.

Scheme Shareholders are strongly encouraged to appoint “the Chairman of the meeting” as their proxy. If any other person is appointed as proxy, he or she will not be permitted to attend the Court Meeting in person, but will be able to attend, submit written questions and/or any objections and vote at the Court Meeting remotely via the Virtual Meeting Platform, further details of which are set out below.

This situation is constantly evolving, and the UK Government may change current restrictions or implement further measures relating to the holding of shareholder meetings during the affected period. Any changes to the arrangements for the Court Meeting will be communicated to Scheme Shareholders before the Court Meeting, including through our website www.codemasters.com/investors/#electronic-arts and by announcement through a Regulatory Information Service.

The Chairman of the Court Meeting will ensure that all such questions and/or any objections relating to the formal business of the Court Meeting are addressed during the Court Meeting, unless no response is required to be provided under the Companies Act or the provision of a response would, at the Chairman’s discretion, otherwise be undesirable in the interests of Codemasters or the good order of the Court Meeting.

During the Court Meeting, you must ensure you are connected to the internet at all times in order to submit written questions and/or any objections and vote when the Chairman commences polling. Therefore, it is your responsibility to ensure connectivity for the duration of the Court Meeting via your wireless or other internet connection. If any other person is appointed as proxy, he or she will not be permitted to attend the Court Meeting in person, but will be able to attend, submit written questions and/or any objections and vote at the Court Meeting remotely via the Virtual Meeting Platform as described above.

A BLUE Form of Proxy for use at the Court Meeting is enclosed with this Notice.

The completion and return of the BLUE Form of Proxy by post (or transmission of a proxy appointment or voting instruction electronically online, through CREST or by any other procedure described below) will not prevent you from remotely attending, submitting written questions and/or any objections and voting at the Court Meeting, in each case via the Virtual Meeting Platform, if you are so entitled and wish to do so.

In the case of joint holders, the vote of the senior who tenders a vote (whether remotely, via the Virtual Meeting Platform or by proxy) will be accepted to the exclusion of the votes of the other joint holders and for this purpose, seniority will be determined by the order in which their names stand in the register of members of Codemasters in respect of the joint holding.

It is requested that forms appointing proxies (together with any power of attorney or other authority under which the proxy form is signed, or a notorially certified copy of such power of attorney) be returned to Codemasters' registrar, Link Group. For your convenience the Blue Proxy Form has been supplied with a pre-paid business return envelope addressed to Link Group (for use in the UK and Channel Islands only). If you wish you may use your own envelope and return the Form of Proxy by post or deliver it (during normal business hours) by hand to Link Group, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF not later than 10:00 a.m. on 1 February 2021 or, in the case of any adjournment, not later than 48 hours before the time appointed for the adjourned Court Meeting (excluding any day which is not a Business Day), but if Blue Proxy Forms are not so returned they may be emailed to Rachel.Sellers@linkgroup.co.uk any time prior to the commencement of the Court Meeting.

Proxies may also be submitted electronically by using the Signal Shares share portal service at www.signalshares.com so as to be received by not later than 48 hours before the time appointed for the Court Meeting, or, in the case of any adjournment, 48 hours before the time appointed for the adjourned Court Meeting (in each case, excluding any day which is not a Business Day).

CREST members who wish to appoint a proxy or proxies through the CREST Electronic Proxy Appointment Service may do so for the Court Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited ("Euroclear") and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (CREST ID RA10) by 10:00 a.m. on 1 February 2021 or, in the case of any adjournment, not later than 48 hours before the time appointed for the adjourned Court Meeting (excluding any day which is not a Business Day). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

Codemasters may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

As an alternative to appointing a proxy, any Scheme Shareholder which is a corporation may appoint one or more corporate representatives who may exercise on its behalf all its powers as a shareholder provided that no more than one corporate representative exercises powers over the same share.

Only those holders of Scheme Shares registered in the register of members of Codemasters as at 6:00 p.m. on 1 February 2021 or, in the event that the Court Meeting is adjourned, in the register of members at 6:00 p.m. on the date which is two days preceding the date fixed for the adjourned Meeting (excluding any day which is not a Business Day) shall be entitled to attend and vote (in each case, remotely, via the Virtual Meeting Platform) in respect of the number of shares registered in their name at the relevant time. GUIDANCE NOTES FOR COMPLETION OF THE BLUE PROXY FORM AND ELECTRONIC PROXY VOTING

The guidance notes set out below should be read in conjunction with the explanatory notes printed on the Blue Proxy Form.

1. COVID-19 Restrictions

At the time of publication of this notice, the UK Government has prohibited large public gatherings, save in certain limited circumstances. In light of these measures, together with the uncertainty as to any additional and/or alternative measures that may be put in place by the UK Government, and in order to protect the health and safety of Scheme Shareholders and Codemasters Directors, the Codemasters Board hopes that Scheme Shareholders will understand that they and other attendees will not be permitted to attend the Court Meeting in person, save for the Chairman and anyone else nominated by the Chairman in order to establish a quorum.

Scheme Shareholders are strongly encouraged to appoint "the Chairman of the meeting" as their proxy. If any other person is appointed as proxy, he or she will not be permitted to attend the Court Meeting in person, but will be able to attend, submit written questions and/or any objections and vote at the Court Meeting remotely via the Virtual Meeting Platform, further details of which are set out below.

This situation is constantly evolving, and the UK Government may change current restrictions or implement further measures relating to the holding of shareholder meetings during the affected period. Any changes to the arrangements for the Court Meeting will be communicated to Scheme Shareholders before the Court Meeting, including through our website www.codemasters.com/investors/#electronic-arts and by announcement through a Regulatory Information Service.

2. Instructions for accessing the Virtual Meeting Platform

Scheme Shareholders will be given the opportunity to remotely attend, submit written questions and/or any objections and vote at the Court Meeting via the Virtual Meeting Platform.

Scheme Shareholders can access the Virtual Meeting Platform via a mobile web client, which is compatible with the latest browser versions of Chrome, Firefox, Internet Explorer 11 (Internet Explorer v. 10 and below are not supported), Edge and Safari and can be accessed using any web browser, on a PC or smartphone device. To remotely attend, submit written questions and/or any objections and/or vote using this method, please go to <https://web.lumiagm.com>.

Alternatively, Scheme Shareholders can access the Virtual Meeting Platform by downloading the latest version of the Lumi AGM application (the "App") onto their smartphone device. The App is available in native application format (Android and iOS devices only) and can be downloaded from the Google Play Store™ Market or the Apple® App Store by searching by the application name 'Lumi AGM'. If you have previously downloaded the App, please ensure you are using the latest version by checking the status in the Google Play Store™ Market or the Apple® App Store. Please be aware that the App does not support Android 4.4 (or below) or iOS 9 (or below).

Once you have accessed <https://web.lumiagm.com> from your web browser, or downloaded the App, you will be asked to enter the Lumi Meeting ID which is **145-572-465**. You will then be prompted to enter your unique login and PIN. Your unique login is your 11-digit Investor Code ("IVC"), including any zeros, and your PIN number is the last four digits of your IVC. These can be found, if your shares are held in certificated form, printed on a share certificate or alternatively you can sign in to www.signalshares.com to obtain your IVC.

If you are unable to access your IVC, please call Link Group on +44 (0) 371 277 1020* by 2 February 2021.

Access to the Court Meeting will be available from 9:45 a.m. on 3 February 2021, although questions cannot be submitted until the Court Meeting is declared open and the voting functionality will not be enabled until the Chairman of the Court Meeting declares the poll open. Scheme Shareholders will be permitted to submit written questions (via the Virtual Meeting Platform) during the course of the Court Meeting. Scheme Shareholders can use the same function to submit any written

objections they may have to the Scheme at the Court Meeting. The Chairman of the Court Meeting will ensure that all such questions and/or any objections relating to the formal business of the Court Meeting are addressed during the Court Meeting, unless no response is required to be provided under the Companies Act or the provision of a response would, at the Chairman's discretion, otherwise be undesirable in the interests of the Company or the good order of the Court Meeting.

During the Court Meeting, you must ensure you are connected to the internet at all times in order to submit written questions and/or any objections and vote when the Chairman commences polling. Therefore, it is your responsibility to ensure connectivity for the duration of the Court Meeting via your wireless or other internet connection. The Virtual Meeting Guide contains further information on remotely accessing and participating in the Court Meeting via the Virtual Meeting Platform and is available on Codemasters' website at www.codemasters.com/investors/#electronic-arts.

If you wish to appoint a proxy and for them to attend the Court Meeting via the Virtual Meeting Platform on your behalf, please contact Link Group on telephone number +44 (0) 371 277 1020*.

If your Scheme Shares are held by a nominee and you wish to attend the Court Meeting via the Virtual Meeting Platform, you will need to contact your nominee immediately. Your nominee will need to have completed a letter of representation and presented this to Link Group, Codemasters' registrar, no later than 72 hours before the start of the Court Meeting in order that they can obtain for you from Link Group, your unique login and PIN number to attend the Court Meeting via the Virtual Meeting Platform. If you are in any doubt about your shareholding, please contact Link Group.

* Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9:00 a.m. and 5:30 p.m., Monday to Friday (excluding public holidays in England and Wales). Please note that Link Group cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

3. To be entitled to attend, submit written questions and/or any objections and vote (in each case, remotely, via the Virtual Meeting Platform) at the Court Meeting (and for the purpose of the determination by Codemasters of the votes they may cast), shareholders must be registered in the register of members of Codemasters as at 6:00 p.m. on 1 February 2021 or, in the event that the Court Meeting is adjourned, in the register of members at 6:00 p.m. on the date which is two days preceding the date fixed for the adjourned meeting (excluding any day which is not a Business Day). Changes to entries on the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Court Meeting or any adjourned Court Meeting.
4. Scheme Shareholders are strongly encouraged to appoint "the Chairman of the meeting" as their proxy. If any other person is appointed as proxy, he or she will not be permitted to attend the Court Meeting in person, but will be able to attend, submit written questions and/or any objections and vote at the Court Meeting remotely via the Virtual Meeting Platform as described above.
5. Scheme Shareholders entitled to attend, submit written questions and/or any objections and vote at the Court Meeting are entitled to appoint one or more proxies to attend, submit written questions and/or any objections and to vote (in each case, remotely, via the Virtual Meeting Platform) in their place. If you wish to appoint more than one proxy, each proxy must be appointed to exercise the rights attached to a different share or shares held by you. If you wish to appoint a proxy please use the Blue Proxy Form enclosed with this Notice of Court Meeting. In the case of joint shareholders, only one need sign the Blue Proxy Form. The vote of the senior joint shareholder will be accepted to the exclusion of the votes of the other joint shareholders. For this purpose, seniority will be determined by the order in which the names of the shareholders appear in the register of members of Codemasters in respect of the joint shareholding. The completion and return of the Blue Proxy Form will not stop you from attending and voting (remotely, via the Virtual Meeting Platform) at the Court Meeting should you wish to do so and be so entitled. A proxy need not be a Scheme Shareholder.
6. If you do not specify the name of your appointee in the relevant box, the Chairman will be appointed as your proxy. You must instruct your proxy how to vote on the resolution by signing in the appropriate box on the Blue Proxy Form. If you sign both boxes, or if you do not sign in either box, then the Blue Proxy Form will be invalid. Unless otherwise instructed, the person appointed as your proxy will exercise his or her discretion as to how he or she votes as to any business other than the resolution to approve the Scheme (including amendments to the resolution and any procedural business, including any resolution to adjourn) which may come before the Court Meeting.
7. If you are appointing a proxy in relation to less than your full voting entitlement, please enter in the box next to the proxy holder's name the number of shares in relation to which they are authorised to act as your proxy. If left blank your proxy will be deemed to be authorised in respect of your full voting entitlement (or if the Blue Proxy Form has been issued in respect of a designated account for a shareholder, the full voting entitlement for that designated account).
8. To appoint more than one proxy, you may photocopy the Blue Proxy Form or obtain (an) additional Blue Proxy Form(s) by contacting Codemasters' registrar, Link Group on +44 (0) 371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9:00 a.m. and 5:30 p.m., Monday to Friday excluding public holidays in England and Wales. Please note that Link Group cannot provide advice on the merits of the Acquisition or the Scheme nor give any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes. Please also indicate by ticking the box provided if the proxy instruction is one of multiple instructions being given. All Blue Proxy Forms must be signed and should be returned together in a single envelope, rather than posted separately.
9. Alternatively, shareholders are given the option to register the appointment of a proxy for the Court Meeting electronically by accessing the Signal Shares share portal service at www.signalshares.com. To do so you will need to log in to your Codemasters Signal Shares account, or register if you have not previously done so. To register you will need your IVC which, if you hold certificated shares, is detailed on your share certificate or alternatively is available from Codemasters' registrar,

Link Group. Full details of the proxy voting procedure are given on the website and shareholders are advised to read the terms and conditions relating to the use of this facility before appointing a proxy through it. Any electronic communication sent by a shareholder that is found to contain a computer virus will not be accepted. Electronic communication facilities are available to all shareholders and those who use them will not be disadvantaged in any way. If you want to appoint more than one proxy electronically then please contact Codemasters' registrar, Link Group on the telephone number stated at note 8 above.

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service for the Court Meeting and any adjournment(s) thereof may do so by using the procedures described in the CREST Manual (available at www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (CREST ID RA10) by the latest time for receipt of proxy appointments specified below. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Codemasters may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

To be valid, all messages relating to the appointment of a proxy or an instruction to a previously appointed proxy, which are to be transmitted through CREST, must be transmitted so as to be received by the issuer's agent (CREST ID RA10) by no later than 10:00 a.m. on 1 February 2021.

11. The Blue Proxy Form (i) in the case of an individual, must either be signed by the appointor or his or her attorney; and (ii) in the case of a corporation, must be either given under its common seal or be signed on its behalf by an attorney or a duly authorised officer of the corporation. Any signature on or authentication of such appointment need not be witnessed. Where an appointment of a proxy is signed on behalf of the appointor by an attorney, the power of attorney or a copy thereof certified notarially or in some other way approved by the Directors must (failing previous registration with the Company) be submitted to the Company, failing which the appointment may be treated as invalid.

As an alternative to appointing a proxy, any Scheme Shareholder which is a corporation may appoint one or more corporate representatives who may exercise on its behalf all its powers as a shareholder provided that no more than one corporate representative exercises powers over the same share.

12. **To be valid, the Blue Proxy Form and any other power of attorney or other authority under which it is executed (or duly certified copy of any such power or authority) (if the proxy is to be appointed by submission of a hard copy of the Blue Proxy Form) must be received by Link Group by no later than 10:00 a.m. on 1 February 2021. For your convenience the Blue Proxy Form has been supplied with a pre-paid business return envelope addressed to Link Group (for use in the UK and Channel Islands only). If sending from outside the UK or Channel Islands, the correct postage will need to be applied. If you wish you may use your own envelope and return the Blue Proxy Form by post to Link Group, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF or (during normal business hours) by hand to Link Group, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF by no later than 10:00 a.m. on 1 February 2021. If the Blue Proxy Form for the Court Meeting is not lodged by the relevant time, it may be emailed to Rachel.Sellers@linkgroup.co.uk any time prior to the commencement of the Court Meeting.**
13. You may not use any electronic address provided in either the Notice of Court Meeting or any related documents (including the Blue Proxy Form) to communicate with Codemasters for any purpose other than those expressly stated.
14. Voting on the resolution at the Court Meeting will be conducted by poll rather than a show of hands.
15. Unless the context otherwise requires, terms defined in Part 8 (*Definitions*) of the Scheme document dated 7 January 2021, of which this Notice of Court Meeting forms part, shall apply to these guidance notes.
16. The Court has appointed Gerhard Florin (Chairman of the Company), or, failing him, Rashid Varachia (Chief Financial Officer of the Company) or, failing him, Frank Sagnier (Chief Executive Officer of the Company) or, failing him, any other Director of the Company, to act as Chairman of the Court Meeting and has directed the Chairman to report the result thereof to the Court.
17. The Company reserves the absolute right to refuse entry to the Court Meeting to any Scheme Shareholders who attempt to attend in person.

NOTICE IS HEREBY GIVEN that a General Meeting of Codemasters Group Holdings plc (the “**Company**” or “**Codemasters**”) will be held at Codemasters Campus, Stoneythorpe, Southam, Warwickshire, CV47 2DL on 3 February 2021 at 10:15 a.m. (or as soon thereafter as the meeting of Scheme Shareholders (as defined in the Scheme referred to in paragraph (a) of the resolution set out below) convened by direction of the Court for the same place and date shall have been concluded or adjourned) for the purpose of considering and, if thought fit, passing the following resolution which will be proposed as a Special Resolution.

- (d) for the purpose of giving effect to the Scheme, with effect from the passing of this resolution, the articles of association of the Company be amended by the adoption and inclusion of the following new article 166 after article 165:

“166 SCHEME OF ARRANGEMENT

166.1 In this Article, references to the “**Scheme**” are to the scheme of arrangement dated 7 January 2021 between the Company and the holders of Scheme Shares under Part 26 of the Companies Act in its original form or with or subject to any modification, addition or condition agreed by the Company, Electronic Arts Inc. (“**EA**”) and Codex Games Limited (“**Bidco**”) (which expression includes any other name which either EA or Bidco may adopt from time to time) and which the Court may approve or impose and (save as defined in this Article) expressions defined in the Scheme shall have the same meanings in this Article.

166.2 Notwithstanding any other provision of these Articles, if the Company issues any ordinary shares to any person (other than to EA, to any subsidiary undertaking or associated undertaking of EA (each being a “**member of the EA Group**”), Bidco, its nominee(s) or any member of the EA Group) on or after the adoption of this Article 166 and on or prior to the Scheme Record Time, such shares shall be subject to the Scheme (and shall be Scheme Shares for the purposes thereof) and the original or any subsequent holders of such shares shall be bound by the Scheme accordingly.

166.3 Subject to the Scheme becoming Effective and notwithstanding any other provision of these Articles, if any ordinary shares are issued by the Company to any person after the Scheme Record Time other than to EA, Bidco, its nominee(s) or any member of the EA Group (the “**New Member**”), such New Member (or any

subsequent holder or any nominee of such New Member or any such subsequent holder), provided the Scheme has become Effective, will be obliged to immediately transfer all the ordinary shares in the Company held by the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) (the “**Disposal Shares**”) to EA, Bidco (or its nominee(s) (as it may direct) (the “**Purchaser**”) who shall be obliged to acquire all of the Disposal Shares. The consideration payable by the Purchaser shall be the consideration that would have been payable for Scheme Shares under the Scheme (as it may be amended or modified in accordance with its terms) if each Disposal Share were a Scheme Share.

166.4 On any reorganisation of, or material alteration to, the share capital of the Company (including, without limitation, any subdivision and/or consolidation), the value of the consideration per Disposal Share to be paid under Article 166.3 shall be adjusted by the Directors in such manner as an independent investment bank selected by the Company may determine to be fair and reasonable to the New Member to reflect such reorganisation or alteration. References in this Article to ordinary shares in the Company shall, following such adjustment, be construed accordingly.

166.5 To give effect to any transfer required by this Article 166, the Company may appoint any person as attorney or agent for the New Member to execute and deliver as transferor a form of transfer or other instrument or instruction of transfer on behalf of the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) in favour of the Purchaser and do all such other things and execute and deliver all such documents as may in the opinion of the attorney or agent be necessary or desirable to vest the Disposal Shares in the Purchaser and pending such vesting to exercise all such rights to the Disposal Shares as the Purchaser may direct. If an attorney or agent is so appointed, the New Member shall not thereafter (except to the extent that the agent fails to act in accordance with the directions of the Purchaser) be entitled to exercise any rights attaching to the Disposal Shares unless so agreed by the Purchaser. The Company may give good receipt for the purchase price of the Disposal Shares and may register the Purchaser as holder thereof and issue to it certificates for the same. The Company shall not be obliged to issue a certificate to the New Member for any Disposal Shares. Notwithstanding any other provision of these Articles, neither the Company nor the directors of the Company shall register the transfer of any Scheme Shares effected between the Scheme Record Time and the Effective Date other than to EA or Bidco pursuant to the Scheme.”

All White Proxy Forms must be signed and should be returned together in a single envelope, rather than posted separately.
10. Alternatively, shareholders are given the option to register the appointment of a proxy for the General Meeting electronically by accessing the Signal Shares share portal service at www.signalshares.com. To do so you will need to log in to your Codemasters Signal Shares account, or register if you have not previously done so. To register you will need your IVC which, if you hold certificated shares, is detailed on your share certificate or alternatively is available from Codemasters’ registrar, Link Group. Full details of the proxy voting procedure are given on the website and shareholders are advised to read the terms and conditions relating to the use of this facility before appointing a proxy through it. Any electronic communication sent by a shareholder that is found to contain a computer virus will not be accepted. Electronic communication facilities are available to all shareholders and those who use them will not be disadvantaged in any way. If you want to appoint more than one proxy electronically then please contact Codemasters’ registrar, Link Group on the telephone number stated at note 9 above.
11. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service for the General Meeting and any adjournment(s) thereof may do so by using the procedures described in the CREST Manual (available at www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent (CREST ID RA10) by the latest time for receipt of proxy appointments specified below. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors

or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

To be valid, all messages relating to the appointment of a proxy or an instruction to a previously appointed proxy, which are to be transmitted through CREST, must be transmitted so as to be received by the issuer's agent (CREST ID RA10) by no later than 10:15 a.m. on 1 February 2021.

12. The White Proxy Form (i) in the case of an individual, must either be signed by the appointor or his or her attorney; and (ii) in the case of a corporation, must be either given under its common seal or be signed on its behalf by an attorney or a duly authorised officer of the corporation. Any signature on or authentication of such appointment need not be witnessed. Where an appointment of a proxy is signed on behalf of the appointor by an attorney, the power of attorney or a copy thereof certified notarially or in some other way approved by the Directors must (failing previous registration with the Company) be submitted to the Company, failing which the appointment may be treated as invalid.

As an alternative to appointing a proxy, any Codemasters Shareholder which is a corporation may appoint one or more corporate representatives who may exercise on its behalf all its powers as a shareholder provided that no more than one corporate representative exercises powers over the same share.

To be valid, the White Proxy Form and any other power of attorney or other authority under which it is executed (or duly certified copy of any such power or authority) (if the proxy is to be appointed by submission of a hard copy of the White Proxy Form) must be received by Link Group, no later than 10:15 a.m. on 1 February 2021. For your convenience the White Proxy Form has been supplied with a pre-paid business return envelope addressed to Link Group (for use in the UK and Channel Islands only). If sending from outside the UK or Channel Islands, the correct postage will need to be applied. If you wish you may use your own envelope and return the White Form of Proxy by post, or deliver it (during normal business hours) by hand to Link Group, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF no later than 10:15 a.m. on 1 February 2021.

13. You may not use any electronic address provided in either this Notice of General Meeting or any related documents (including the White Proxy Form) to communicate with Codemasters for any purpose other than those expressly stated.
14. The resolution will be proposed as a special resolution. For the resolution to pass, at least three quarters of the votes cast must be in favour of the resolution. Voting on the resolution at the General Meeting will be conducted by poll rather than on a show of hands.
15. Unless the context requires otherwise, terms defined in Part 8 (*Definitions*) of the Scheme document dated 7 January 2021, of which this Notice of General Meeting forms part, shall apply to these guidance notes.
16. As at the Last Practicable Date, Codemasters' issued share capital consisted of 152,464,355 ordinary shares, carrying one vote each. Therefore, the total voting rights in Codemasters as at the Last Practicable Date are 152,464,355.
17. The Company reserves the absolute right to refuse entry to the General Meeting to any Codemasters Shareholders who attempt to attend in person.
